# Sailing S.A.L.T.S. Spring 2025

## THE ULTIMATE FIELD TRIP EXPERIENTIAL LEARNING ON A TRADITIONAL TALL SHIP!

### Life On Board

Participate in every aspect of life aboard a tall ship, including raising and lowering sails, navigation, steering the ship, and anchor watch at night.

### Learning Outcomes

From the biology of the inter-tidal zone of a coastal island, to the math & physics brought to life by reading charts and plotting navigation routes, experiential learning happens every day aboard a tall ship.

### Details

For more information:  
Thursday, June 20th  
at Lunch in room C303.
