

Terry Fox Run Day at The Rock was filled with great energy from the start to finish where every donation = a freezie.

Set up and waiting for the start of the Meet the Teacher and Curriculum Night at Rockridge last night. Conquer Cancer Club leaders and Mentorship students were part of welcoming families to our event.

West Vancouver Schools

Parent & Guardian's Guide to Personal Digital Devices

Personal Digital Devices include any personal electronic device that can be used to communicate or to access the Internet, such as cell phones, phones, laptops, tablets, smartwatches and any other portable technology device.

Laptops are the preferred device for school use.

While digital devices can enhance learning in many ways, allowing students to collaborate, create and communicate, it is important that they are used in a mindful and meaningful way.

Personal digital devices should only be used with the permission of a teacher or administrator. Additional considerations will be made to provide for student's health and accessibility needs, and accommodation requirements.

Elementary

Cell phones should NOT be used in elementary school.

Secondary

Cell phones should only be used in class if specifically required for a learning task

What can parents and guardians do to help?

- Understand the digital device expectations at your child's school
- Support and encourage your child's appropriate use of digital devices
- Refrain from contacting your child during the school day. If it's an emergency, contact the school office
- Personally model and encourage digital device limitations (boundaries?)

We have had a good start to the year with the changes to expectations around Personal Digital Devices. Students and staff have worked together to raise the expectations around PDD which has translated to more engaged classrooms. Thank you for continuing to have these conversations at home and providing structure to manage screen time with our students at home too.

Sentinel PAC

Parent Education Series

Sentinel Secondary School PAC presents

Cellphones in School What Parents Need to Know

By **Cari Wilson**

Tue September 17 @ 7pm

"The government's mandate gave us a chance to reframe our thinking and practice around digital devices in educational spaces. We want to give our students future-ready skills while still keeping their mental and physical health close to our hearts."

Cari Wilson, Vice Principal of Innovation and Technology with West Vancouver Schools
