Congratulations to Vaya F, Christian C, and Rhys F for their focused preparation and solid placings in their first XC Provincial appearance of their careers!

Plant a Tree! Rockridge Environmental Club, Rockridge PAC, West Vancouver Schools facilities and the District of West Vancouver teamed up this week to plant trees for the community care program. Embracing Academic Integrity and Responsible AI Use at Rockridge

As an IB World School, Rockridge is committed to fostering an environment where academic integrity is paramount. As we navigate the evolving landscape of technology, particularly with the rise of artificial intelligence (AI), we are dedicated to guiding our students in the ethical and effective use of these powerful tools.

Next week during Flexible Instructional Time (FIT), staff will present to our students a newly updated Academic Integrity Policy along with our West Vancouver Schools guidelines on how our students can use AI in a safe manner that upholds academic integrity. AI has the potential to transform education, offering new ways to learn and explore.

We are proud to be an IB World School that not only prioritizes academic excellence but also the ethical development of our students. By maintaining strong values of academic integrity and guiding our students through the proper use of AI, we prepare them to be responsible, thoughtful, and innovative leaders of tomorrow.
