A MESSAGE FROM THE PRINCIPAL

This week I am passing the torch of the “Principal’s Message” to our “Principle” event for the coming week, the MYP Personal Project Exhibition. Take it away, Ms. LeSieur and Ms. Millare!

FROM YOUR MYP COORDINATORS:

It's almost time for our favourite MYP event of the year! Next week, the Personal Project Exhibition will take place on Thursday, February 6th. The event will take place throughout our First Floor from 6:00 to 7:30 p.m. and will feature almost 200 passion projects by our current Grade 10 students.

Students will be showcasing what they've developed and learned through their Personal Project journey. From science experiments to product designs, cookbooks to handcrafted goods, creative compositions to technical innovations—we'll have all this and so much more! For the parents of Grade 10 students, the Exhibition will be a wonderful opportunity to celebrate your child's tremendous efforts and unique skills; for parents of junior students, the Exhibition will give you some insight and ideas into what your own child can look forward to accomplishing in a year or two.

Please come! We are looking forward to seeing you there.

Parents of Grade 10 Students:

To aid in planning both students' and your schedules, please be aware we've invited students to set up their Personal Project on Wednesday, February 5th after school. This is so that students who have larger products can coordinate bringing them to school with support as needed.

If you have any questions, please feel free to reach out.

Your MYP Coordinators,

Rhonette Millare & Meghan LeSieur
rmillare@wvschools.ca mlesieur@wvschools.ca

DID YOU KNOW WE ROCK?

One of the many ways Rockridge Secondary School stands out is through our teaching and learning excellence. A good example of this is the success of our Advanced Placement (AP) program. Last year, (2023-24) Rockridge had 195 students write 320 AP exams. 59 students were awarded the status of 'AP Scholars'. Of those, 15 students received honours with 16 more receiving 'Scholars with distinction'. Also in 2023-24, Rockridge saw our first group of AP Research Students graduate, with 12 receiving the AP Research Certificate and impressively 5 students receiving the AP Capstone Diploma, which recognizes excellence in their entire AP program during their time at Rockridge. Rockridge was also honoured as one of 10 Secondary Schools (of 400) in Canada to be named to the 'AP School Honour Roll' recognizing excellence, accessibility and equity in our programming.

*Be sure to check out this week's attached **Raven Life** PDF. It is another celebratory edition! You'll see updates on student learning, sports, posters of upcoming events, photos and more from this week at The Rock.*

ACTION ITEMS FOR ROCKRIDGE PARENTS/GUARDIANS

Online Policies & Procedures [Form 2024-2025](#) - Now at 84% of online consent forms completed!

This online verification and consent form requires a parent login and must be submitted for each student at the start of each school year. We ask that it is submitted ONLY ONCE PER STUDENT in September, as the upload gets very onerous with multiple submissions. For later changes, please inform the office.

- If you previously created an account to complete the 22/23 form, the account is the same.
- If you have forgotten your password, you can follow the instructions to reset it.
- Once logged in, you will have the option to either update a P+P form created last year or start a new one.
- Without a completed consent form, students will not be permitted to attend field trips, join school teams or have their photos included in the yearbook. Permissions expire on August 31 each year.

FEEDING FUTURES

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to Mr. Kolkea tkolkea@wvschools.ca or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

Annual Winter Weather Reminder - See [Weather Closures and Procedures](#)

With the recent weather events and the potential of flurries, we wanted to remind everyone of the West Vancouver Schools *Winter Weather* protocols.

West Vancouver Schools endeavours to keep schools open on regular instructional days, including those with accumulating snowfall ([Weather Closures and Procedures](#)). Any decision to close schools will be made by the Superintendent and will be based on the safety of students and staff. We aim to communicate any decision to close schools by 6:00 am.

Please check the [school district website](#) for the most current information on school closures.

FAQ & HELPFUL INFORMATION

ATTENDANCE - Notifying the Office and Extended Absences

If you know your student will not be in attendance for all, or part of a school day, we ask that you please let our office know in advance - rockridge@wvschools.ca Please include your child's first and last name and reason for absence in your email.

Daily attendance is critical to ensure student success here at Rockridge. **We do not recommend** absences during the school term but realize they may be unavoidable. Please keep in mind that certain classroom activities and assessments may not be able to be made up if missed.

Please notify the school a minimum of one week in advance using this [form](#) for an extended absence. Teachers are not required to provide extra classes, make-up tests or specific work to be completed.

ROCKRIDGE CALENDAR

- This is a very helpful resource to access for daily block rotations and school events.
- Please click the following link to access the [FULL ROCKRIDGE WEBSITE CALENDAR](#)
- Then click *Subscribe* in the task bar above the calendar.
- Please ask your child if they have subscribed as well!

CHANGE OF ADDRESS?

If there are any changes to address, legal custody, or citizenship status, please upload documentation to support the changes using [this link](#). The changes will not be reflected until the documentation is submitted.

MYED BC Parent Portal

For all students and parents, logging into the MYED portal is a very important step in supporting your child's learning and progress at Rockridge.

If you need assistance logging onto the parent portal, please use this link [MyEd Parent Portal](#) for instructions on registering your MyEdBC account. Each parent or guardian has their own separate account. If you are having difficulty accessing your account, please see the online video aid [here](#). If you have further questions, please email Rockridge@wvschools.ca

School Drop Off/Pick Up Safety

As you are probably aware, there can be heavy traffic around our school site at opening and dismissal times. It is difficult for vehicles to enter and exit our school parking areas as well as the Caulfeild Mall. The passage of emergency vehicles would be impeded which is of considerable concern. Please consider carpooling, dropping off and picking up your children at a predetermined location away from the school property, and encouraging active transportation (biking, walking). Another helpful action, if possible, for those that have to drive is dropping off your child early. An 8:00 AM arrival is always a great plan and chance to hang in the cafeteria, get some work done at a hallway workstation, or connect with a teacher.

Please note that designated visitor parking spaces at the front of the school are a 'no parking' zone in the morning and after school. The driveway in front of the school entrance is a NO STOPPING zone. All numbered parking spaces are designated for individual staff members. Please do not park in these spaces at any time during school hours.

ATTENTION DOG WALKERS

The Rockridge sports field is a Classroom space, used by classes and teams, many of which have begun regular practices and games this fall. There has been a large amount of Dog Poop that is not only a distraction and slipping hazard, but also a health issue. We remind our community members that West Vancouver Bylaw prohibits dogs on the field and thank you for your cooperation in respecting this outdoor classroom space. *We would appreciate it if you would pass this on to other community members who should have this information.
