ROCKRIDGE PLAYERS HALL
DOORS 6:30PM SHOW 7PM
TICKETS \$15 ONLINE. \$20 AT DOOR

To purchase tickets - see link in Ebulletin

The 47th Annual Physics Olympics took place at UBC on Saturday. For the first time ever, Rockridge sent two teams (Grade 11s and 12s) to compete. Our senior Physics Olympics team achieved an impressive 6th place overall out of 81 teams from across the province.

Rockridge students competed in six events: two pre-build events, two in-person lab events, Quizzics, and Fermi Questions. We are thrilled to announce that, thanks to the outstanding efforts of Adam C., Danny N., and Irina D., we won our second-ever gold medal in a solo event beating the second place team by a very impressive margin!

Dr. Robert Ventresca, President of King's University at Western (London, Ontario) spoke to Rockridge students about the benefits of a Liberal Arts Education. He spoke to Ms. Capron's grade 11 (1-2) Literary Studies class, Ms. Selzer's Political Studies 12 class, and Mr. Lam's Law 12 (1-1) class on Monday, Mar. 03.
