McMaster University Event @ Rockridge

Rockridge hosted a North Shore event for McMaster last night. This was a great time to ask questions and learn about this post secondary institution as all the faculties had representatives available to answer questions.

It's 1692 and the stage is set for students to plead their case in the Salem Witch Trials as part of their Crucible Unit in AP Literature 12 with Ms. Millare.

The Greater Vancouver Food Bank (GVFB) would like to thank Rockridge Secondary School for volunteering. Our achievements would not be possible without the dedication of remarkable volunteers like your team. *Not only did your group support us in building our market select orders, but you also put together approximately 5000 lbs of food to be distributed to our agency partners this week!*
On behalf of the GVFB, we thank you for your continued hard work and support.

Jazz Cafe

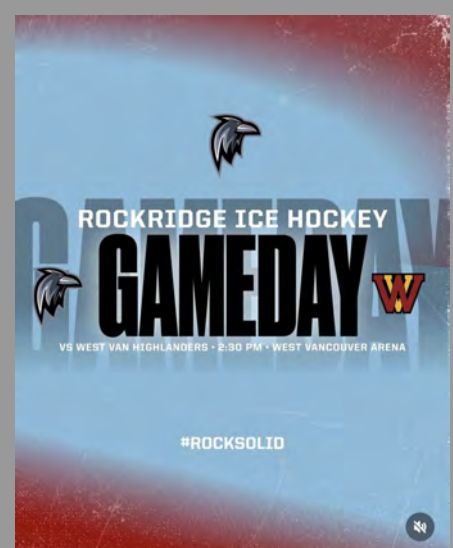

Before Spring Break The Jazz Cafe filled Players Hall with music and works of art from our very talented Rockridge student performers and artists. There were performances by Rockridge "A" & "B" Big Bands, student combos, and special guests: The Erika Chow Group!
Thank you for the ongoing support from the Rockridge Community.

Athletic wear available for purchase is on display in the main entrance showcase.
See AD Stefanon to purchase and for any questions you may have.
