

Congratulations to our MYP Coordinators Rhonette Millare (left) and Meghan LeSieur (right) for their outstanding leadership during our recent MYP evaluation process (occurs every 5 years). In the middle of this lovely photo is IB evaluator Peggy Clavette who visited Rockridge in person for 2 of the 3 day evaluation process.

Rockridge hosted the Queen's University *Admitted Student Event* for the Northshore last Thursday night with students from as far away as Whistler attending. It was a wonderful opportunity for interested students to meet Queen's faculty members and ask pertinent questions.

A big thank you to Canadian Alpine Skier, Reece Howden for visiting Rockridge this week and showing off his Ski Cross World Championship crystal globes. We are grateful that Reece took the time to share his story in becoming an inspiring athlete and a true champion on and off the slopes.
