What is The Moose Hide Campaign?

The Moose Hide Campaign began as a BC-born Indigenous-led grassroots movement to engage men and boys in ending violence towards women and children. It has since grown into a nationwide movement of Indigenous and non-Indigenous Canadians from local communities, First Nations, governments, schools, colleges/universities, police forces and many other organizations all committed to taking action to end this violence.

Today at Rockridge we honoured the Moose Hide Campaign by providing free pins to all staff and students wishing to wear one and demonstrate their support.
