ROCKRIDGE SECONDARY'S OUTDOOR CLASSROOM
Opening Ceremony

June 17, 2025 • 1:00PM

HOSTED BY ROCKRIDGE PAC

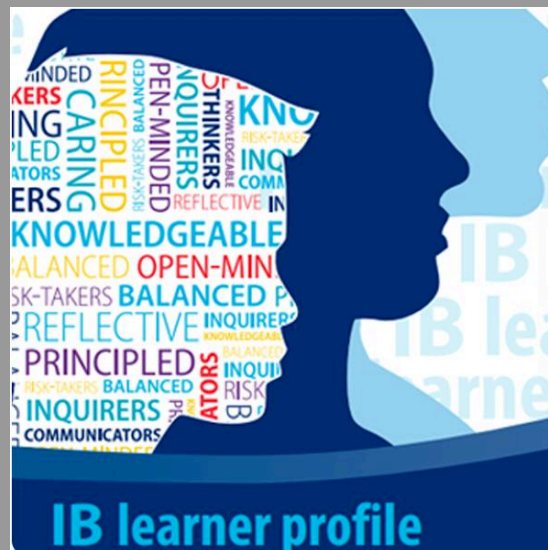

A lovely outdoor space that supports flexible learning spaces and a gathering place at other times of the day for our school community. We are pleased to announce this grand opening event coming up next month and hope you can attend.

Teachers have been submitting photos to our ROPAC to share how their PAC Wish List funds have supported student learning this year.

This is an example from Ms. Grant's Foods Class. The new Waffle Makers are being enjoyed by all our Food Studies students, thank you ROPAC! Here we see our grade 9s putting their learning to practice and having fun making Waffles with Strawberry Sauce. A tasty way to welcome strawberry season! See Recipe: [Here](#)

Look for more photos and information over the next month of how the Rockridge PAC has made a difference once again for our staff and students this year.

Matteo A., Emmett B., & Christopher L. stepped up in every way at the GVFB representing Rockridge proudly.

"Thank you so much for your incredible support at the Greater Vancouver Food Bank. Your team at Rockridge Secondary School made a significant impact by volunteering in the warehouse and sorting close to 3000 lbs of food. Our achievements would not be possible without the dedication of remarkable volunteers like you. Your commitment to helping those in need is truly inspiring."

Social Studies students had the opportunity to listen to and meet the former director of ADRA, Carl Wilkens. He was the only American who chose to stay during the Rwandan Genocide of 1994, and saved around 400 orphans. To have someone live through such horror and talk authentically about love, and wrestling with how people make decisions is something that will remain with them for a long time. Many of our students asked him deep questions about empathy, the psychology of genocide vs love, and how his story changed his perspective on the world.

We hope you can join us next Wednesday for our final ROPAC meeting of the year.

During the start of FIT on Monday, all students participated in a presentation from their block 1-2 teachers. The information focused on finishing strong in June and working hard to maintain marks and attendance through to the end of this third and final learning period. The message also included Personal Digital Device (PDD) expectations - phones and laptops are to be used only with teacher permission during class time.

*Thanks to Ms. Green for capturing this inspirational raven photo while hiking with her family last weekend.
A great image to compliment the message to students this week.*
