A MESSAGE FROM THE PRINCIPAL

This week I don't want my updates to impede your ability to read and appreciate the amazing opportunities, accomplishments, and learning that have defined school life here at *The Rock*. From the calendar above, to the updates below and Raven Life attached herein, I simply could not be prouder of our students and staff. Thank you for being the supportive parents and guardians that you are, encouraging our students to be engaged and successful members of our school community.

STUDENT LEARNING SURVEY - *The Parent Edition*

Each year in British Columbia, students in grades 10, 11 & 12 are asked to complete the Learning Surveys. The learning survey asks students questions about their school experiences. Parents with children in Grades 10 to 12 are also invited to complete a parent survey. A parent may complete a survey for each child in the targeted grades. The parent survey is available in English and 16 other languages. Parents can complete surveys on their own time by clicking [LEARNING SURVEY](#)

*Please note that no passwords are required - it is direct login.

FROM YOUR MYP COORDINATORS:

As we continue to celebrate the good work of the MYP here at Rockridge post-evaluation, this is a good opportunity to remind you that our work of learning and engaging in this community and the world beyond doesn't just stop. The IB aims to grow learners who are caring members of their local communities and demonstrate a commitment to service - making a positive difference in the lives and the environments they interact with. The MYP engages in this through Service Learning - aiming to intentionally help students develop their personal understanding, their emerging sense of self and their developmentally appropriate responsibility in their community through inquiry learning that leads to action. Students learn that the small actions that we take can have a BIG impact on the world. That YOUR actions CAN change the world!

We will continue to talk about how we can all actively grow and engage in Service Learning in the coming weeks, but today, as a start, we'll put in a small plug for [Do1Give](#) - a movement to build a culture of community, of giving and aiming to make the world a better place by doing ONE small random act of giving TODAY (or whatever day you read this)! This could look a lot of different ways - writing a note to someone who needs it, making an effort to clean up the garbage in an area of your neighbourhood, making a donation to your local food bank...the ways we engage and can contribute to our community are endless.

How can YOU make an impact today in one small way?

2025 SUMMER LEARNING WITH WEST VANCOUVER SCHOOLS

Are you interested in learning during the summer? West Vancouver Schools will be offering a robust Summer Learning Program for both elementary and secondary students during July 2025.

ACTION ITEMS FOR ROCKRIDGE PARENTS/GUARDIANS

Online Policies & Procedures [Form 2024-2025](#) - NOW 94% of online consent forms completed!

This online verification and consent form requires a parent login and must be submitted for each student at the start of each school year. We ask that it is submitted ONLY ONCE PER STUDENT in September, as the upload gets very onerous with multiple submissions. For later changes, please inform the office.

- If you previously created an account to complete the 22/23 form, the account is the same.
- If you have forgotten your password, you can follow the instructions to reset it.
- Once logged in, you will have the option to either update a P+P form created last year or start a new one.
- Without a completed consent form, students will not be permitted to attend field trips, join school teams or have their photos included in the yearbook. Permissions expire on August 31 each year.

FEEDING FUTURES

As part of the Ministry of Education and Childcare [Feeding Futures initiative](#), the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to Mr. Kolkea tkolkea@wvschools.ca or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

FAQ & HELPFUL INFORMATION

ATTENDANCE - Notifying the Office and Extended Absences

If you know your student will not be in attendance for all, or part of a school day, we ask that you please let our office know in advance - rockridge@wvschools.ca. Please include your child's first and last name and reason for absence in your email.

Daily attendance is critical to ensure student success here at Rockridge. **We do not recommend** absences during the school term but realize they may be unavoidable. Please keep in mind that certain classroom activities and assessments may not be able to be made up if missed.

Please notify the school a minimum of one week in advance using this [form](#) for an extended absence. Teachers are not required to provide extra classes, make-up tests or specific work to be completed.

ROCKRIDGE CALENDAR

- This is a very helpful resource to access for daily block rotations and school events.
- Please click the following link to access the [FULL ROCKRIDGE WEBSITE CALENDAR](#)

- Please ask your child if they have subscribed as well!

CHANGE OF ADDRESS?

If there are any changes to address, legal custody, or citizenship status, please upload documentation to support the changes using [this link](#). The changes will not be reflected until the documentation is submitted.

MYED BC Parent Portal

If you have not done so already please see the [MyEd Parent Portal](#) where you will find instructions on registering your MyEdBC parent portal account.

Each parent or guardian has their own separate account. If you are still having difficulty accessing your account, please see the online video aid [here](#). If you have further questions, please email Rockridge@wvschools.ca

School Drop Off/Pick Up Safety

As you are probably aware, there can be heavy traffic around our school site at opening and dismissal times. It is difficult for vehicles to enter and exit our school parking areas as well as the Caulfeild Mall.

The passage of emergency vehicles would be impeded which is of considerable concern. Please consider carpooling, dropping off and picking up your children at a predetermined location away from the school property, and encouraging active transportation (biking, walking). Another helpful action, if possible, for those that have to drive is dropping off your child early. An 8:00 AM arrival is always a great plan and chance to hang in the cafeteria, get some work done at a hallway workstation, or connect with a teacher.

Please note that designated visitor parking spaces at the front of the school are a 'no parking' zone in the morning and after school. The driveway in front of the school entrance is a NO STOPPING zone. All numbered parking spaces are designated for individual staff members. Please do not park in these spaces at any time during school hours.

ATTENTION DOG WALKERS

The Rockridge sports field is a Classroom space, used by classes and teams, especially now that spring has arrived. There has been a large amount of Dog Poop that is not only a distraction and slipping hazard, but also a health issue. We remind our community members that West Vancouver Bylaw prohibits dogs on the field and thank you for your cooperation in respecting this outdoor classroom space. *We would appreciate it if you would pass this on to other community members who should have this information.
