# A MESSAGE FROM THE PRINCIPAL

While long weekends are always appreciated, it's been nice to return to school and be surrounded by the spirit and energy of our Ravens. Even though it's only Thursday, there's already a buzz of positivity around The Rock, with so many stories of student learning and achievement worth celebrating. This week's Grade 8 Science Fair is certainly one that is top of mind along with Track and Field and Golf Zones.

Last Friday's professional development day was a productive one for our staff. Teams spent time reflecting on current departmental goals and engaging in forward-thinking conversations to help shape our work for September. I continue to be inspired by the strength of teacher leadership at Rockridge. It's their dedication and initiative that make days like these so impactful.

As the school year winds down, we've seen many students making the most of their FIT (Flexible Instructional Time) time. With the end of June approaching, it's an important opportunity for students to get organized and stay on track. If your child hasn't yet shared their FIT plan with you, I encourage you to ask them which teacher they're planning to connect with during Monday's FIT block.

Please also be aware that IE (Insufficient Evidence) reports will continue to be issued until May 30th for students who are missing key assignments or at risk of not passing a course. These reports are an important signal and support tool to help students create a plan for success. Families play a vital role by checking in with their child about any IE reports and reaching out to teachers directly if there are questions or need for clarification.

Be sure to check out this week's attached **Raven Life** PDF for some great pictures of learning in action including the Gr. 8 Science Fair, spring sports photos, posters of upcoming events like the Sounds of Spring Concert and more from this week at The Rock.

#### FROM YOUR MYP COORDINATORS:

Our journey through understanding the important aspects of Service Learning continues! We've examined Stage 1 = Investigation: reflecting on your skills and taking a look at where you could assist in your community in some way! We're now moving onto Stage 2 of Service Learning, which is **Preparation**. Now, considering all the reflecting and investigative work of Stage 1, this might seem a little redundant, but the purpose is to deepen understanding of the community issue being explored. So many of us want to jump from Investigation (finding an issue) directly to Action (doing something to help with that issue), but the Preparation phase allows for a moment of pause. Before working to help a community issue, it's a chance to reflect on:

What information you've gathered is actually true?

Where are there biases?

How are you able to take action WITH others as opposed to actions TO others?

Sifting through this information allows learners and families to envision purposeful action - actions with clear meaning and direction.

Now let's flip the script and talk about learning in school! We are walking towards the <u>last</u> month of the school year. The last summative assessments are approaching for the various criteria. This is a perfect time to use these initial stages of Service Learning for reflection:

**Investigate** - Take stock of a learner's previous levels over the year. Where are they finding success? What are areas they need to lean into and seek support?

**Preparation** - Now is the time to look *realistically* at what a learner can do to finish the school year in their subject areas with as much success as possible. What can the learner do to build greater success for themselves? How can a family unit support that learner to follow through?

There's lots going on and lots to consider, but really, it's an ongoing process of acknowledging our talents, acknowledging where there are issues and then actually taking steps to do something about it.

#### **COLLABORATION DAY - Thursday, May 29th**

During our upcoming collaboration time, the school is open, and students are encouraged to attend, but it is not mandatory (attendance will not be taken during this time). Students may use this time to complete assignments and other incomplete work. Students who are in attendance during collaboration time will be stationed in the cafeteria where we will have staff supervising. For students planning to work from home, they are reminded to arrive on time for their first block of the day which begins at 9:30 am. See the bell schedule for the day below.

Unpacking Youth Culture: Let's Talk Shop is a free, in-person workshop that gives parents and caregivers the opportunity to hear directly from North Shore youth about their experiences with peer pressure, mental health, substance use, and more. The session is designed to promote open listening and learning, helping bridge the understanding between parents and young people. This initiative is a collaboration between Foundry North Shore, Capilano Community Services, North Shore Neighbourhood House, Parkgate Society, and the District of West Vancouver's Youth Services Team.

We are specifically seeking parents and caregivers from West Vancouver schools to attend this session. Youth speakers will be coming from other parts of the North Shore to help foster a safe environment where participants do not know each other personally, allowing for more open and honest dialogue.

The next workshop will take place on: Thursday, June 5th | 6:00 PM – 8:30 PM -WVSS Sign up here: <a href="https://wvss-lts2025.eventbrite.com">https://wvss-lts2025.eventbrite.com</a>

# Online Policies & Procedures Form 2024-2025 - NOW 96% of online consent forms completed!

This online verification and consent form requires a parent login and must be submitted for each student at the start of each school year. We ask that it is submitted ONLY ONCE PER STUDENT in September, as the upload gets very onerous with multiple submissions. For later changes, please inform the office.

- If you previously created an account to complete the 22/23 form, the account is the same.
- If you have forgotten your password, you can follow the instructions to reset it.
- Once logged in, you will have the option to either update a P+P form created last year or start a new one.
- Without a completed consent form, students will not be permitted to attend field trips, join school teams or have their photos included in the yearbook. Permissions expire on August 31 each year.

#### **FEEDING FUTURES**

As part of the Ministry of Education and Childcare <u>Feeding Futures initiative</u>, the West Vancouver School District has established a food security structure to confidentially assist students and families. Families are encouraged to reach out directly to Mr.

Kolkea <u>tkolkea@wvschools.ca</u> or to <u>feedingfutures@wvschools.ca</u> if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

# **Homestay Families Needed**

#### STUDENT PARKING AT ROCKRIDGE

Parking is available for Senior Students in the Upper Lot east of the Gym. Students must complete a parking <u>Registration form</u>, noting vehicle details, insurance expiry, obtain parent signature and submit to the office. The \$25 decal fee must be paid through <u>School Cash Online</u>. Once the form is returned and payment completed, we can issue a decal.

The designated parking spaces in the student lot are nearing capacity, and notices will be issued to those vehicles without a valid decal displayed.

Note: At no time are students permitted to park in Visitor or Staff designated spots

# **ATTENDANCE - Notifying the Office and Extended Absences**

If you know your student will not be in attendance for all, or part of a school day, we ask that you please let our office know in advance - <a href="mailto:rockridge@wvschools.ca">rockridge@wvschools.ca</a> Please include your child's first and last name and reason for absence in your email.

Daily attendance is critical to ensure student success here at Rockridge. **We do not recommend** absences during the school term but realize they may be unavoidable. Please keep in mind that certain classroom activities and assessments may not be able to be made up if missed.

Please notify the school a minimum of one week in advance using this **form** for an extended absence. Teachers are not required to provide extra classes, make-up tests or specific work to be completed.

Each parent or guardian has their own separate account. If you are still having difficulty accessing your account, please see the online video aid <a href="here">here</a>. If you have further questions, please email <a href="mailto:Rockridge@wvschools.ca">Rockridge@wvschools.ca</a>

# **School Drop Off/Pick Up Safety**

As you are probably aware, there can be heavy traffic around our school site at opening and dismissal times. It is difficult for vehicles to enter and exit our school parking areas as well as the Caulfeild Mall. The passage of emergency vehicles would be impeded which is of considerable concern. Please consider carpooling, dropping off and picking up your children at a predetermined location away from the school property, and encouraging active transportation (biking, walking). Another helpful action, if possible, for those that have to drive is dropping off your child early. An 8:00 AM arrival is always a great plan and chance to hang in the cafeteria, get some work done at a hallway workstation, or connect with a teacher.

Please note that designated visitor parking spaces at the front of the school are a 'no parking' zone in the morning and after school. The driveway in front of the school entrance is a NO STOPPING zone. All numbered parking spaces are designated for individual staff members. Please do not park in these spaces at any time during school hours.

#### **ATTENTION DOG WALKERS**

The Rockridge sports field is a Classroom space, used by classes and teams, especially now that spring has arrived. There has been a large amount of Dog Poop that is not only a distraction and slipping hazard, but also a health issue. We remind our community members that West Vancouver Bylaw prohibits dogs on the field and thank you for your cooperation in respecting this outdoor classroom space. \*We would appreciate it if you would pass this on to other community members who should have this information.
