MESSAGE FROM THE PRINCIPAL

I was just mentioning to some of our staff recently that I felt I had not showcased enough learning in action from around The Rock. Well, this week's *Raven Life* does not disappoint in providing a glimpse at some of the learning opportunities our students and staff have engaged in this week. From our IB World School classrooms, where inquiry and global-mindedness drive every discussion, to our Advanced Placement learners who challenge themselves through rigorous, university-level coursework, the depth of engagement and learning on display is inspiring. Our classrooms highlight our students' commitment to excellence and our teachers' dedication to leading critical thinking, creativity, and compassion. Every day I'm reminded how fortunate I am to lead such a remarkable school community. It is truly one where learning *takes flight* at every grade level.

Today's *Raven Life attached to this email* includes images from some of our classrooms, field trips, our fall sports, upcoming ROPAC events and more.

FROM YOUR MYP COORDINATORS: *See photo in Raven Life*

Dear **Grade 10 Parent/Guardian Community** + Everyone Else!

We are putting out an early SAVE THE DATE for the Personal Project Exhibition this year which is taking place on **Thursday, February 5th from 6:00 - 7:30 pm.**

(You can see the Save the Date design in Raven Life this week!)

The Personal Project is an independent, extended, culminating task of the MYP program at Rockridge. Through guidance from their Grade 10 Careers classes, students investigate a personal passion, develop a product or result, and record their learning process through exploration, execution and reflection.

Grade 10 Parent/Guardian Community - MARK THIS DATE IN YOUR CALENDARS (yes, in all caps). This exhibition is a requirement for the completion of both the Personal Project *and* each Grade 10 students' MYP certificate. They are expected to be there.

Everyone Else - You can also mark this date in your calendars as an opportunity to check out what our Grade 10 students have been exploring and to support the learning of our school community.

ROCKRIDGE SCHOOL NEWS

HALLOWEEN COSTUME CONTEST - Have fun and be mindful on October 31st

Rockridge students are welcome to wear a Halloween costume to school on Friday, October 31st but they are reminded that costumes must be appropriate for school. To better define this, please see the bullets below:

- Students must be easily recognizable and/or able to identify themselves to staff members when asked.
- It is important that students choose costumes that uphold our values of diversity and inclusion and refrain from wearing any costumes that would be deemed offensive.
- While Halloween costumes are designed for fun, some perpetuate stereotypes. We want to ensure that culturally based and identity-based costumes are not part of our Halloween this year, because cultures and identities are not costumes.
- Replica weapons of any sort are not allowed.

When Halloween falls on a weekday it always adds a lot of energy to our building and community. Students are encouraged to keep safety top of mind so that responsible decisions are made throughout the day and into the evening. Dressing up for Halloween provides us with an opportunity for fun and community building, and we always look forward to seeing the creativity demonstrated by students and staff.

GRADS BC PHOTO PACKAGE & STUDENT ID CARD DISTRIBUTION

Due to the current postal strike, Grads BC has delivered photo packages to Rockridge for distribution. We had a homeroom today and distributed the first shipment of photos to students, along with their Student ID Cards. We now have a second shipment in the office ready for pick up.

GRADUATION ASSESSMENT DATES - GLA / LTE 12 Assessments - November 3 – 6, 2025

The Grade 12 Literacy Assessment is a provincial assessment that assesses student proficiency in literacy. It is a graduation requirement and completed during students’ Grade 12 year.

The Grade 12 Literacy Assessment assesses students’ ability to use critical and reflective thinking and analysis to make meaning from a diverse array of texts. It also assesses the ability of students to communicate their ideas, or those found in the texts.

The Grade 12 Literacy assessment is not based on a particular subject matter or course, but rather on learning across multiple subjects from kindergarten to Grade 12.

All students and families have been notified of the dates and times via email.

The fair will then continue to be open in Player’s Hall during block 2-2 (until 11am) for any grade 10 classes that wish to attend.

Scholarship Information Webinar with Brittany Palmer |Oct 28th from 6:00 - 7:15PM

Through this seminar, we will debunk common scholarship myths and break down the complex process into a manageable form. Please see details on how to join this session on the link provided above. This session will not be recorded.

THE ROCKRIDGE MUSIC DEPARTMENT Coffee Fundraiser is underway! See the *Raven Life* for details. All proceeds will offset student travel and equipment costs for our upcoming trips this year. Your support is greatly appreciated and helps to minimize individual costs at the time of travel.

Student Council Halloween Decorations Drive! 🎃 🍷

Rockridge students and families, we need your help to spook up our school! Starting Thursday, October 9th, Rockridge Student Council is hosting a Halloween Decorations Drive. We're looking for pumpkins, cobwebs, spooky lights, and any other Halloween decorations you'd like to donate!

There will be a box outside the office where you can drop off your contributions. All donations will help transform our school into a Halloween spirit that everyone can enjoy!

PARENT/GUARDIANS TO DO TODAY: Thank you to those who have completed the two forms required for each of our students. To ensure a safe and successful start to the school year, we ask you to complete two important forms for each student in your household. One is reviewing, making any updates to, and signing the single paper form called the **Student Verification Form**, which students were asked to bring home on the first day of school. The second form is the **Online Policies & Procedures Form**; <https://eforms.sd45.bc.ca/Form/PandP>
Both forms must be submitted at the start of each year. Without them, your child's participation in activities both in and outside of the classroom will be limited. Thus far we have **85%** of students' P&P consent successfully submitted online. *We need to be at 100% - please help us get there next week!*

If you have not yet completed these please see the attached letter called **2025-2026 Required Annual Parent/Guardian Forms Communication** for full details.

ATTENDANCE - Notifying the Office and Extended Absences

If you know your student will not be in attendance for all, or part of a school day, we ask that you please let our office know in advance - rockridge@wvschools.ca If your student will be arriving late, leaving early, or missing part of the day, please include approximate times of arrival and dismissal in your email.

Please include your child's first and last name and reason for absence in your email. This will ensure that the absence is noted as excused and you will not receive an email/voicemail alert regarding the absence.

Daily attendance is critical to ensure student success here at Rockridge. We do not recommend absences during the school term but realize they may be unavoidable. Please keep in mind that certain classroom activities and assessments may not be able to be made up if missed. Teachers are not required to provide extra classes, make-up tests or specific work to be completed.

Please notify the school a minimum of one week in advance using this [form](#) for an Extended Absence.

Note: International Students must first request permission from the International Office via email to international.reception@wvschools.ca

CHANGE OF ADDRESS?

If there are any changes to address, legal custody, or citizenship status, please upload documentation to support the changes using [THIS LINK](#) and email rockridge@wvschools.ca to inform us of the change and document upload. Any changes will not be reflected in the student database until the documentation is submitted.

SCHOOL BUS TRANSPORTATION 2025-26 – Questions - transportation@wvschools.ca

Students taking the school bus are required to [Register](#): The district has secured only enough buses to accommodate the number of students that have been registered for the service, and we need to ensure that all riders are able to secure a seat. Please ensure you have registered so that no students are turned away.

For details on eligibility, routes, and service guidelines, please visit our Student Transportation webpage: [Student Transportation Information](#)

SMS for Parents/Guardians:

Parents and guardians have an option to receive text messages for school emergencies or other important alerts: Part of the WV Schools communication system allows families to opt into receiving important information additionally by text. For parents/guardians who would like to be notified of a school emergency such as power outages, severe weather or safety alerts via SMS please text a “Y” or “Yes” to 978338 to ensure you are on the list.

School Drop Off/Pick Up Safety

As you are probably aware, there can be heavy traffic around our school site at opening and dismissal times. It is difficult for vehicles to enter and exit our school parking areas as well as the Caulfeild Mall. The passage of emergency vehicles would be impeded which is of considerable concern. Please consider carpooling, dropping off and picking up your children at a predetermined location away from the school property, and encouraging active transportation (biking, walking). Another helpful action, if possible, for those that have to drive is dropping off your child early. An 8:00 AM arrival is always a great plan and chance to hang in the cafeteria, get some work done at a hallway workstation, or connect with a teacher.

Please note that designated visitor parking spaces at the front of the school are a ‘no parking’ zone in the morning and after school. The driveway in front of the school entrance is a NO STOPPING zone. All numbered parking spaces are designated for individual staff members. Please do not park in these spaces at any time during school hours.

MYED BC Parent Portal - Accessing your child’s timetable

If you have not done so already please visit the [MyEd Parent Portal](#) where you will find instructions on registering your MyEdBC parent portal account. You only need to do this once when you first begin in WV Schools. Each parent or guardian has their own separate account. Your child’s **schedule** and **learning updates** are accessed in MyEd, so parent access is essential for supporting your child’s learning and success at Rockridge.

Trouble logging in? - Click on the [School District’s My Ed Family Portal Page](#)

If you have further questions, please email Rockridge@wvschools.ca

OPTIONAL ACCIDENT INSURANCE for Families

West Vancouver Schools reminds families each year that personal injury or accident costs are not covered by the district or its insurance provider. To help protect against expenses from accidental injury, unexpected medical costs, or critical illness, families have the option to purchase voluntary accident insurance plans. A variety of providers offer different levels of coverage, so families are encouraged to review their options carefully and choose a plan that best meets their needs.

LOCKERS - Lockers have been assigned to all grade 8 students. Students in Grade 9 to 12 can sign up for a locker through the link in their Grad Class Google classroom, and pick up their locker assignments in the office.

A GREAT WAY TO SUPPORT YOUR STUDENT: Google Classroom Reviews

Parents do not have access to Google Classrooms (GC), however, we feel it is important to review your child’s GC regularly with them so that they can inform you about their classes, learning and upcoming or incomplete assignments. This looks like sitting down with your child at their laptop and having them open and scroll through their GC. A helpful thing for parents and guardians to see this week are the Grade Level (or Grad Class Google Classroom) for Homeroom Presentations from Opening Week. Each Rockridge student should be a member of their Grad year Google

Classroom. There is grade and school-wide information, announcements and opportunities posted here regularly.

Grad Class of 2030 (Current grade 8's): pr5xsotl

Grad Class of 2029 (Current grade 9's): ecuxnrk

ATTENTION DOG WALKERS

The Rockridge sports field is a Classroom space, used by classes and teams, especially now that spring has arrived. There has been a large amount of Dog Poop that is not only a distraction and slipping hazard, but also a health issue. We remind our community members that West Vancouver Bylaw prohibits dogs on the field and thank you for your cooperation in respecting this outdoor classroom space. *We would appreciate it if you would pass this on to other community members who should have this
