

Social Studies 9 worked together to create a mind map showing the relationship between Exploration, Colonialism, and Mercantilism during the age of Explorers.

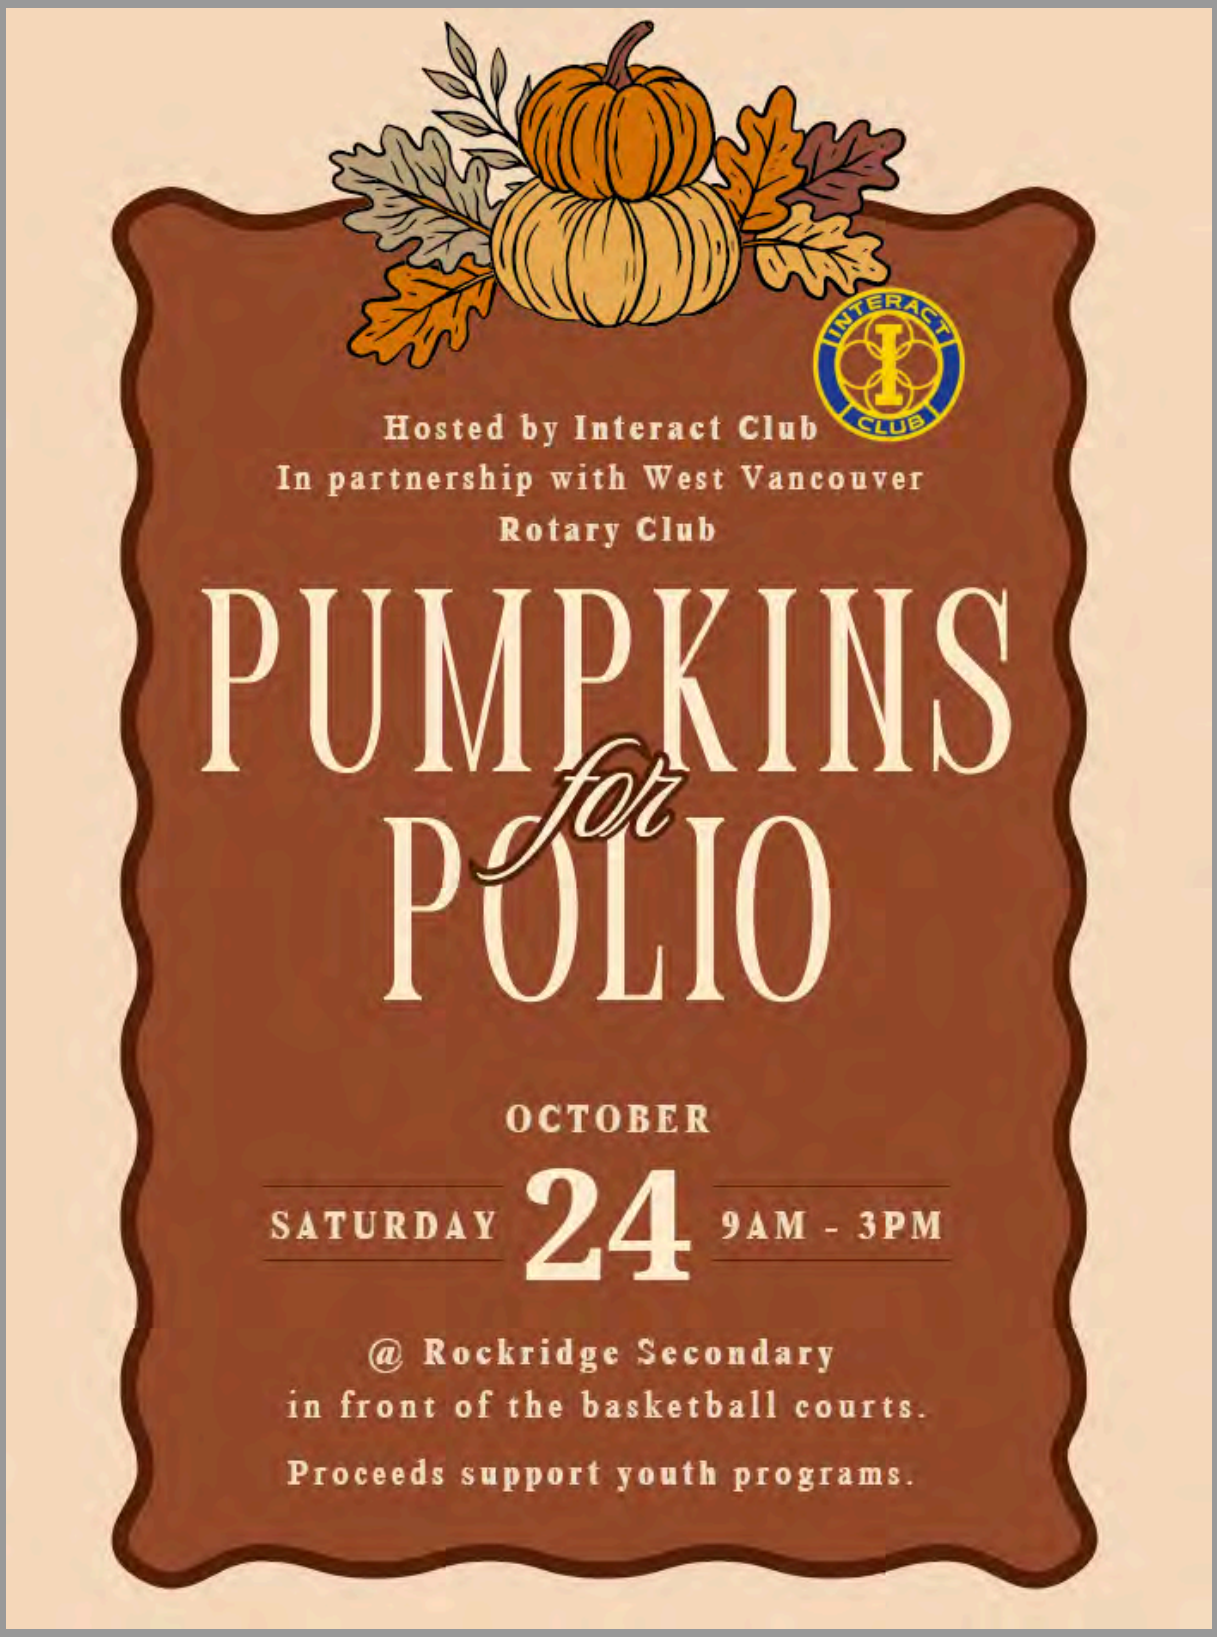

Camp Summit - an annual Rockridge Grade 8 experience! Amazing fall weather, outdoor adventures, physical challenges, great food, and plenty of opportunities to connect. Our Grade 8s strengthened friendships, made new ones, stepped outside their comfort zones, and connected with one another and the wilderness around them. A fantastic opportunity to build community, stay active, and create memories that will last well beyond camp. Such a great start for these new Ravens as they begin their Rockridge journey!
