MESSAGE FROM THE PRINCIPAL

This is one of those E-Bulletins where I pause, reflect and be amazed by what our students, staff and school community accomplish together. The big item for all students and families is the publishing of informal reports today. There are ***Raven Life*** photos and captions sharing amazing girl power athletes, information to guide our upcoming Halloween spirit event included directly below, a robust calendar for next week above and extended learning opportunities that span across grades 8 to 12 - these are found in the **ROCKRIDGE SCHOOL NEWS** section.

MYED ACCESS

It is important that parents/guardians can access MYED BC for their children's learning updates throughout the year. We know most of our families have already logged in to access their student's schedule in September, but as we post Informal Progress Reports today, we wanted to remind everyone that these documents are important for families and students, so please be sure to upload and save them for your future reference. Student success happens because of the strong partnerships and communication we have between school, teachers and home.

- Trouble logging in? - Click on the School District's My Ed Family Portal Page
- If you have further questions, please email Rockridge@wvschools.ca

HALLOWEEN COSTUME CONTEST - GET YOUR COSTUME READY! Friday October 30th
Come in costume at lunch, to Player's Hall to join in the famous Rockridge Costume Contest. Prizes for **ALL** participants in the following categories: Scariest, Funniest, Most Creative, Best Duo, Best Small Group and Best Teacher Group! Everyone is welcome to this fun event. No sign up required.

Have fun and be mindful; students are reminded that costumes must be appropriate for school. To better define this, please see the bullets below:

- Students must be easily recognizable and/or able to identify themselves to staff members when asked.
- It is important that students choose costumes that uphold our values of diversity and inclusion and refrain from wearing any costume that would be deemed offensive.
- While Halloween costumes are designed for fun, some perpetuate stereotypes. We want to ensure that culturally based and identity-based costumes are not part of our Halloween this year, because cultures and identities are not costumes.
- Replica weapons of any sort are not allowed.

When we celebrate Halloween on a school day, it always adds a lot of energy to our building and community. Students are encouraged to keep safety top of mind so that responsible decisions are made throughout the day and into the evening. Dressing up for Halloween provides us with an opportunity for fun and community building, and we always look forward to seeing the creativity demonstrated by students and staff.

Please be sure to open this week's ***Raven Life*** that is packed with our students, athletes and parent community doing some amazing things across the Rockridge school community.

COLLABORATION DAY - Thursday, Oct 29th - Classes start at 9:30 AM - See the bell schedule HERE.
During our upcoming collaboration time, the school is open, and students are encouraged to attend, but it is not mandatory (attendance will not be taken during this time). Students may use this time to complete assignments and other incomplete work. Students who are in attendance during collaboration time will be stationed in the cafeteria where we will have staff supervising. For students planning to work from home, they are reminded to arrive on time for their first block of the day which begins at 9:30 am.

FROM YOUR MYP COORDINATORS: *See our poster in the* ***Raven Life***

Hello, Rockridge community!

This week, we'd like to shine a light on how the Middle Years Programme sets our students up for success at the senior level—in this case, our STEM 11 Programme!

With some help from the West Vancouver Fire Department, students in Mr. Trask's STEM (Science, Technology, Engineering and Mathematics) classes recently completed the annual Egg Drop Challenge. Students were tasked with applying principles of physics (e.g. kinematics, momentum, catastrophic failure) to produce protective structures that would allow their eggs to survive the impact of dropping from a great height!

This challenge is a wonderful extension of the MYP Design Cycle, which students will have explored in Grades 8 to 10. This iterative process allows students to work through the different elements of design: i.e. inquiring and analysing, developing ideas, creating a solution, and evaluating their solution. The Egg Drop Challenge is a fantastic opportunity for students to see how abstract ideas can be applied to create real, concrete solutions.

We love seeing how the MYP prepares students to succeed in their senior years, and we look forward to sharing more about the transition from MYP to Grades 11 and 12 in future bulletins!

Course Fees posted to School Cash Online

There seems to be an issue in SCO attached to student course codes. Some student fees are being duplicated or omitted. We apologize for the error. Can you please email Rockridge Accounting: rockridgeaccounting@wvschools.ca if there are discrepancies in your account. The accounting office is manually working through each account to correct the postings. We hope to have this resolved as soon as possible. Thank you for your patience.

MADD Canada Presentation - Oct 26th for ALL Grade 11 & 12 students

On Monday, Oct 26, Rockridge will host MADD Canada as their trained facilitators will present their new film: *Trapped.* The film's fictional story illustrates the tragic consequences of driving while impaired by alcohol and/or drugs. Throughout the film, students are shown times when the tragedy could have been prevented by making different choices. This *School Program* is proven-effective at encouraging responsible decision-making among youth – both immediately after the presentation and longer term. In the 2022-2023 evaluation survey among participating students, 92% said the program makes them want to make the right decision when it comes to impaired driving and 82% said that they were likely to make a plan for getting home safely when going out with friends. The majority of students felt that consuming cannabis would cause one to drive "a lot worse" with 86% saying this after the presentation

and 91% 3-months post presentation. Furthermore, three months after the presentation, half of respondents were more likely to think that cannabis use has a negative effect on the ability to drive.

BC Post-Secondary Institution EVENT:
Wednesday, Oct 28th (Block 1-2)
This is a **MANDATORY EVENT for** ALL Grade 11 & 12 students.
Sessions will be held in different classrooms on the 2nd floor of the West Wing & Fair in Player's Hall

- **8:30-8:35:** Grade 11 & 12 students go to regular classes for attendance
- **8:35-8:45:** Grade 11s - Player's Hall & Grade 12s will meet in the cafeteria to get instructions
- **8:45-9:10:** Session #1 (Choose ONE institution)
- **9:15-9:40:** Session #2 (Choose ANOTHER institution)
- **9:45-10:15:** Post-Secondary Fair in Player's Hall

Participating Institutions:
Students: Research the following institutions that will be at this event to see which sessions you are interested in attending. BE OPEN! Explore institutions that you don't know much about and ask targeted questions. Priority will go to grade 12 students and there will be a maximum of 30 students each session. Once a room is full you will need to find another session to attend.

- British Columbia Institute of Technology - BCIT (Burnaby +)
- Capilano University - CapU (North Vancouver +)
- Corpus Christi College (UBC Campus)
- Canadian Coast Guard (Nova Scotia)
- Columbia College (Vancouver)
- Douglas College (New Westminster +)

- University of Northern British Columbia - UNBC (Prince George)
- University of Victoria - UVic (Victoria)
- Vancouver Community College - VCC (Vancouver)
- Vancouver Island University - VIU (Nanaimo)

Most of these institutions will only make this one visit to Rockridge so it is important that students participate in this event.

GRADE 9 CAREERS *Take Our Kids to Work Day* – Wednesday November 4th Permission Form
Each year Grade 9 students across Canada are asked to participate in *"Take our Kids to Work"* Day. This year the event occurs on Wednesday, November 4, 2026. This event allows students to visit the work site of a parent, relative, homestay or interested mentor for the day instead of attending classes at school. Permission forms were sent home (via email) and need to be submitted by Monday, October 26, 2025 For further information, contact Careers 8/9 Counsellor; Mr. Pandher MPandher@wvschools.ca

GLA 12 Assessment – November 2-5, 2026

Families should now have received an email outlining the times, locations and dates for the upcoming GLA (Graduation Literacy Assessment) 12 as well as materials and links to help students prepare.

Scholarship Information Webinar, Monday, November 02, 6:00 - 7:15PM

Rockridge PAC is once again generously hosting the very informative **Key to Scholarships Session** virtually on Nov. 02 at 6:00PM. Students in all grades and parents are welcome and encouraged to attend. It is never too early to get started. This comprehensive presentation covers topics ranging from building your scholarship foundation to crafting a strong personal statement. Contrary to popular belief, students do not need 95% averages or international achievements to win scholarships. Through this seminar, we will debunk common scholarship myths and break down the complex process into a manageable form. **Microsoft Teams**; Join

NEW IYP PROGRAM - Cyber-Security and AI Explorers

West Vancouver Schools is excited to be running a new IYP program called "Cyber-Security and AI Explorers". Our pilot offering of this program is for West Vancouver School students who are currently in Grade 7 or 8. The program will begin on November 19th and will run on Thursday afternoons from 3:30 to 4:45 until March 11th, 2027. There will be no sessions during Winter Break. The cost for this is $300.00.

Sessions will take place in one of the computer labs at West Van Secondary. Students will be taught by West Vancouver Schools teaching staff and mentored by senior students in the district's CS/QC/AI class.

Students will explore concepts in Artificial Intelligence, Cyber-Safety and Security through activities, labs and games. There may be an opportunity for an optional hackathon that students can choose to participate in.

- For more information or questions, contact Ms. Wilson at cwilson@wvschools.ca
- To register, please fill out this form.
- If interest is very high, we may offer a Tuesday afternoon session as well.

TOUR OF THE ROCK DAY

Our next Tour of The Rock for the 2026-27 school year is scheduled for Monday, Nov 16th. Tours run from 12:00 to 1:00 PM monthly. Do you know a family that may be interested in registering at Rockridge in the future? Please pass along this information to them so they can join us for our next school tour. The Tour of the Rock is hosted and led by our principal or vice-principal and senior student leaders. All Tour of The Rock dates can all be found on our Rockridge website calendar. Inquiries and RSVP: rockridge@wvschools.ca

ROCKRIDGE CAFETERIA – Student Lunch Account Program: Click here

We're introducing an optional **Student Lunch Account Program** designed to make cafeteria purchases easier for families and faster for students. Parents can load funds online, and students pay using a secure QR code.**Benefits for families:**

- One-minute setup
- Easy reloads anytime
- Balance and purchase visibility
- No cash or cards needed

- Secure and privacy-protected

This program reduces lineups and keeps lunch payments simple and predictable.

- Full instructions are in the link above.

FEEDING FUTURES:
As part of the Ministry of Education and Childcare Feeding Futures initiative, the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal - tkolkea@wvschools.ca or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

ROCKRIDGE & WV SCHOOLS COMMUNITY NEWS

For **"Community Connections"** including local North Shore programs, events, and resources click here

SWIS - Support for you and your family as you navigate the Canadian school system

Impact North Shore's Settlement Workers in Schools (SWIS) host a variety of workshops for newcomers and community events. Newcomer workshops explore topics such as Canadian culture and systems, employment options, English language, parenting, health and so much more. The community events explore themes of immigrant inclusion, belonging, and anti-racism.
Check out these upcoming workshops and events

PARENT EXPECTATIONS: West Vancouver Schools has developed a new guide for parents and guardians regarding communication and conduct. The one page guide provides some helpful shared expectations for maintaining the respectful and positive relationships that are so important to our students' success.
Parent Code of Conduct

ATTENDANCE - Notifying the Office and Extended Absences: If you know your student will not be in attendance for all, or part of a school day, we ask that you please let our office know in advance - rockridge@wvschools.ca
Please include in your email; your child's first and last name, grade, reason AND the time they will be absent eg. 9:00 AM-11:00 AM.

Daily attendance is critical to ensure student success here at Rockridge. **We do not recommend** absences during the school term but realize they may be unavoidable. Please keep in mind that certain classroom activities and assessments may not be able to be made up if missed.
Please notify the school a minimum of one week in advance using this form for an extended absence (5 days or more).
Teachers are not required to provide extra classes, make-up tests or specific work to be completed.

SMS TEXT MESSAGING: For parents/guardians who would like to be notified of a school emergency such as power outages, severe weather or safety alerts via SMS - Please text a "Y" or "Yes" to 978338 to ensure you are on the list.

A GREAT WAY TO SUPPORT YOUR STUDENT: Parents do not have access to Google Classrooms (GC), however, we feel it is important to review your child's GC regularly with them so that they can inform you about their classes, learning and upcoming or incomplete assignments. This looks like sitting down with your child at their laptop and having them open and scroll through their GC. A helpful thing for parents and guardians to see this week are the Grade Level (or Grad Class Google Classroom) for Homeroom Presentations from Opening Week. Each Rockridge student should be a member of their Grad year Google Classroom. If your child is not already connected, they can join using the following codes:

- Grad Class of 2031 (Current grade 8's): iokkpsco
- Grad Class of 2030 (Current grade 9's): pr5xsotl
- Grad Class of 2029 (Current grade 10's): ecuxnrk
- Grad Class of 2028 (Current grade 11's): 77pe2df
- Grad Class of 2027 (Current Grade 12's): 2xp55nq

STUDENT TRANSPORTATION FOR 2026-27 Questions - transportation@wvschools.ca Students taking the school bus are required to Register: The district has secured only enough buses to accommodate the number of students that have been registered for the service, and we need to ensure that all riders are able to secure a seat. Please ensure you have registered so that no students are turned away.

MYED BC Parent Portal: If you have not done so previously, please visit the MyEd Parent Portal where you will find instructions on registering your MyEdBC parent portal account. You only need to do this once when you first begin in WV Schools. Each parent or guardian has their own separate account. Your child's **schedule** and **learning updates** are accessed in MyEd, so parent access is essential for supporting your child's learning and success at Rockridge.
Trouble logging in? - use the School District's My Ed Family Portal Page
If you have further questions, please email Rockridge@wvschools.ca
