GRADE 7 PERFORMANCES

Our grade seven students, directed by Ms. Gibli, entertained our school community yesterday with two separate performances, *Alice in Wonderland* and *Alice through the Looking Glass*. They demonstrated the IB Learner profile traits of being risk-takers and communicators. Students were responsible for building sets, lighting, and costuming. Bravo!

PRIMARY TAKAYA TIME

Primary students played with magnetic shapes, marble runs and lego in small groups to build new friendship connections.
