### PLEASE COMPLETE BY TOMORROW

Teaching staff would be grateful if all families could complete the annual online Policies and Procedures eform by Friday 8th September. Parents need to submit a form for each child. **The form can be accessed [here](#).** If you previously created an account to complete the 22/23 form or register for Elementary Band, the form is the same. If you have forgotten your password, please follow the instructions to reset it. When you login, you have the option to either update a P+P form created last year or create a new one.

As in past years, the lack of a form must be considered a negative response, which means, among other things, that students are not allowed to leave school property outside for walks etc. and teachers are not able to allow students to use software and websites.

### 23-24 STUDENT RELEASE DRILL FORMS

Please return by Thursday 21st September so that we have all your contact information on record in the case of an emergency release.

**VOLUNTARY ABSENCES FROM SCHOOL**

Please understand that if you are choosing to take  
extended holidays when classes are in session,  
teachers cannot replicate the learning that happens  
within the classroom and are not able to provide  
online learning opportunities.

Our teachers do their very best to support students  
during [required absences](#) due to illness, however,  
when the absence is voluntary and a family's choice  
(such as extending a weekend, holiday, or vacation), it  
is a family's responsibility to maintain academic  
learning at home. Please take time to read with your  
child, have them write in a "holiday" journal, do Math  
IXL online, participate in any assignments shared via  
Google Classroom (intermediate students), and take  
advantage of other emergent opportunities to  
practise foundational skills (e.g. following instructions  
and using math while cooking).

Families may email their child's teacher(s) to see if  
there is other work their child can do, however, our  
teachers' energy and focus continues to be on the  
learning of students within the classroom

**WOLF DENS**

Students participated in a variety of mixed grade activities on  
Wednesday and Thursday this week led by our Grade 7  
helpers. A glimpse of those below.

Making  
structures with  
playing cards  
strong enough  
to hold a Lego  
man.

Students  
participated in an  
'adjective' nature  
scavenger hunt.  
They worked in  
teams to find  
objects in the forest  
that matched the  
descriptive words.

**MEDICAL ALERTS**

**EPIPEN**

If your child requires an EPIPEN to be administered during school  
hours because of a life threatening allergy please ensure that the  
school office is informed so allergy alerts can be sent to homerooms  
as soon as possible *and* please supply the office with an up to date  
EPIPEN at the same time.

**INHALERS**

If your child requires an inhaler, please supply the school office with  
an inhaler as soon as possible.

**MEDICAL FORM**

We will need a completed medical form, [here](#), for all students  
requiring an EpiPen or Inhaler to be administered at school.

**[CLICK HERE TO PLACE YOUR SPIRIT WEAR ORDER](#)**

Follow the sizing guidelines for ordering and size up if you  
think your child will grow. All items are final sale and  
cannot be returned or exchanged. This is a PAC fundraiser  
run by volunteer parents, we thank you for your support.  
The PAC raises funds throughout the year to help  
purchase items and programs for the school.

**GRADE 7 GRAD HOODIES**

Grade 7 Families will also be able to order Grad Hoodies  
on the same site. Sign up [here](#) to order those.
