Our West Bay book fair was a whirlwind
of activity and was highly successful. I
am especially grateful to the dedicated
team of helpers (20!) who handled
money, kept things organized and were
cheerful book ambassadors!

We selected about \$1300 of books for
the library from the book fair, another
\$1300 to spend in future Scholastic
product, and took \$600 to buy books
from other vendors.

Thank you for sharing the joy of
reading and for supporting this
important library fundraiser.

HOW WE EXPRESS OURSELVES *Grade 2 Stuffies*

Students in Grade 2 used their design skills to first make a drawn plan using indigenous First Nations shapes for details (crescent, ovoid, trigon, u and v shapes). They learned an “up and down stitch” as well as blanket binding “loop stitch” to keep the stuffing inside. They will soon create stories using their animal characters.

RESPECTING OUR SCHOOL ENVIRONMENT

"Pack it in Pack it out Lunches"

We ask that whatever comes in your child's lunch bag goes home in their lunch bag, including empty juice boxes and wrappers. This way we will create far less garbage at school and you will have a better idea of what your child is finishing for lunch.

WHEN SHOULD I KEEP MY SICK CHILD HOME FROM SCHOOL?

Things to consider if your child feels unwell :

1. Without proper rest, a child may have a hard time fighting an illness or be at risk for other illnesses.
2. The ability of your child to actively take part and learn at school.
3. The school staff cannot care for a sick child and give them the support that they may need.
4. The protection of other children

Please keep your child home if they :

- ❖ Have a fever
- ❖ Are too sick to take part in all normal school activities
- ❖ Have a suspected or known communicable disease (i.e. strep throat, chicken pox or measles)
- ❖ **Is vomiting or has diarrhea. It is recommended that students be symptom free for at least 24 hours before returning to school.**

IF YOUR CHILD IS GOING TO BE ABSENT FROM SCHOOL PLEASE EMAIL THE SCHOOL OFFICE sbarrie@wvschools.ca or call 604-981-1260

WEST BAY ELEMENTARY

Dear Parents/Guardians,

On Friday, December 8th, your child's/children's Term One Learning Update(s) will be uploaded to the MyEducation Family Portal. This letter contains information about how to access the MyEducation Family Portal as well as information about changes to the way we report on student progress and areas for further learning.

Accessing the Family Portal

If you are new to West Bay, you should have received an email from the email address "sysadmin@myeducation.gov.bc.ca" with instructions for how to create a MyEd. Family Portal account. This account will allow you to access your child's/children's Learning Updates (report cards), Annual Instructional Plans (AIPs) for English Language Learners, and Individual Education Plans (IEPs) for students with a Ministry Designation. If you did not receive this email, please search your junk folder and if it didn't land there, please contact Ms. Barrie (sbarrie@wvschools.ca).

On Friday, December 8th, you will receive another email from sysadmin@myeducation.gov.bc.ca with details about accessing the Term One Learning Updates. Detailed instructions and videos for accessing the Updates are available [here](#).

Changes to the Way We Share Information on Student Progress

Written reports regarding student progress are now called "Learning Updates" (terms one and two) and "Summary of Learning" (term three). There are some changes to the Learning Updates that are helpful for families to know:

There is a Proficiency scale used by Kindergarten to Grade 9 students in British Columbia that can be accessed [here](#) and will be attached to your child's report. Our goal is for students to be Proficient in all areas of learning, and for some students, extending their learning in certain areas.

Learning Updates are focused on skills and competencies that students develop, rather than a recap of topics of learning except for some descriptions in the Units of Inquiry area. Curriculum is shared via other means such as emails from teachers about the class's program of inquiry.

On several areas of the Learning Update are "Areas for Future Growth and Learning" which identify the ways learners can be supported at school and home to further their skills and competencies.

The Reports are very personalized so while reports share many similarities between students in a class, specific descriptive feedback has been selected for your child.

English Language Learners will receive an AIP (Annual Instructional Plan) but students with a Ministry Designation will not receive an IEP Progress Report. IEPs were recently updated with families in October and assessments on IEP goals and objectives will be given through progress reports in terms two and three. Updated IEPs have, however, been uploaded to the Portal.

Teachers spend a tremendous amount of time creating Learning Updates and I appreciate your time in reviewing them.

If you have any questions or concerns about the Learning Updates, IEPs, AIPs or other matters, please reach out to teachers or me.

Warm regards,

Scott Slater

Dear Parent/Guardian,

On behalf of the Ministry of Education and Child Care, we are sharing the survey information below to help inform the Province’s [ChildCareBC](#) initiatives:

We know that many families depend on school-age child care to ensure their children have a quality, affordable, and inclusive place to be during a parent’s full work day. That is why the Province’s [ChildCareBC plan](#) is working to expand access to child care for all families that want and need it.

The Ministry of Education and Child Care is conducting a parent survey to better understand the regional and provincial demand for school age child care.

While we know there is unmet demand for school-aged child care, there is no current provincial or regional data quantifying the demand. Your participation will help the Province plan for future school-aged child care expansions.

This survey is intended for all parents, regardless of the type of child care you currently use or even if you are not using any child care at all.
