MAKER'S FAIR

Grade 6s hosted a Maker's Fair last week with great success! Thank you to everyone that came out and purchased students handmade goods: candles, slime, cookies, lollipops, bracelets, and more! Students got to use a variety of skills for this Maker's Fair including: designing a product, creating a prototype, planning their business, keeping track of finances, marketing their product, and running their booth at the fair.

The classes raised over \$400 for a variety of charities, including BC Children's Hospital, BC SPCA, Team Trees and Team Seas.

THROUGH THE

LYNN CANYON GRADE 2 FIELD TRIP

Thank-you parents for driving us and staying to help us with our learning at Lynn Valley Ecology Centre. Students played a seed game, gathered forest plants to mix and smell and also brought some plants and creatures back to look at under the document camera.

CONGRATULATIONS TO DA RUBBER DUCKIES

Congratulations to West Bay's Reading Link Challenge Team Da Rubber Duckies: Angela, Angelina, Jenifer, Jennifer, Mia and Saya. They entered a very challenging competition at the West Van Library and were near perfection. The team placed just a hair behind the victors. We are proud of their teamwork and all the extra practice they did to compete at such a high level.
