2025-26 BRING YOUR OWN DEVICE

We encourage students in Grades 4-7 to bring a laptop or Chromebook to school. At West Bay, we take a balanced approach to technology: we use them when they are useful and don't when they're not. We find they become more and more useful as students move from grade 4 to 7 but it is helpful for all students in this age group to have a device. Please [CLICK HERE](#) to find further details about how devices are used and some suggestions for purchasing.

Volunteers Needed!
Each school is responsible for providing volunteers to help ensure the day runs smoothly. Click [here](#) for an overview of volunteer roles. If you've already signed up—or are interested in doing so—please contact your school's Principal or Vice Principal.

- School volunteers should board the bus with students at 8:20 AM.
- Event volunteers must arrive at Terry Fox Field by 9:00 AM and be available until 3:30 PM or later to assist with take-down and clean-up.

General Reminders

- Please ensure your child is dressed appropriately for the weather and brings a nutritious lunch, snacks, and plenty of water. Sunscreen and a hat are strongly recommended.
- Students will eat lunch in the stands. While a concession is available, it primarily offers less nutritious options (junk food), and line-ups can be long.
- Each school has an assigned, clearly labeled seating section. Please check with your school to confirm your team's location.
- Parents are welcome to attend and cheer on students—no admission fee is required. Seating is on concrete bleachers without back support, so a blanket or cushion is recommended for comfort.
- Students are expected to demonstrate respectful and responsible behaviour, in line with school and district codes of conduct.

Questions?
If you have any questions, please reach out to your school-site administrators or District Athletics Coordinators [Emily Miller](#) and [Alysha Philip](#).

Well done to all our athletes!

We wish our Grade 4 and 5 students good luck tonight at Westcot at their Field Meet.

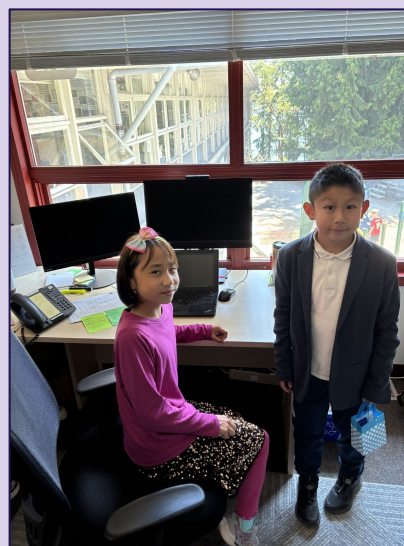

TENNIS

This week, West Bay brought in coaches from Tennis XL to introduce the game of tennis. The hands-on sessions allowed students to engage actively with the sport, fostering coordination, athleticism, and teamwork. We are grateful to coaches Nash and Diego for sharing their knowledge and experience with us.

PRINCIPALS FOR THE DAY

Thank you to Fei Fei and Jia Jia last week for meeting the challenges of being Principals for the Day.

Their first action of the day was to extend lunchtime recess by 10 minutes, to the delight of many!

A sigh of relief was heard as they left the Principal's office and his very large inbox for further adventures at the district office.

Joy. Dedication. Pride. Thank you Pouria for your generosity, we are honoured to receive this gift and are delighted to hang it in our school.

GRADE 2 DIVISION 11 LEARNER PROFILE FOCUS

Our Focus

This week, we focused on being principled, doing the right thing even when it's not easy. Being principled means caring for our planet and thinking about how our decisions affect others now and in the future.

CONNECTIONS TO OUR FAVOURITE STORIES!

Last week, the kindergarteners stepped into the role of teachers as they shared their favourite stories with small groups of peers. This experience offered a wonderful opportunity to strengthen their communication skills—using confident “teaching voices” and practicing active listening when it was someone else’s turn to speak. As part of our ongoing exploration of our connections to stories, the children posed thoughtful questions to one another, such as, “Why is this your favourite story?” Through these meaningful conversations, they deepened their sense of connection with one another.

NUMERACY IN GRADE 1

Students have begun to work on the foundations of addition and subtraction. Thinking about 1 or 2 more than a number and 1 or 2 less than a number. Bingo is a fun interactive game to help your child build number skills.

Fisherman's Market

Something's fishy and it's a fundraiser! Let's make a splash for West Bay's graduating class by supporting the Grade 7 students in an easy and delicious way! Order premium, locally sourced seafood online through the Fisherman's Market in Caulfield Village. It's simple, tasty and helps our grade 7's reel in a memorable graduation.

Ordering opens May 19 to June 6. Pick up in store.

Thank you so much for your support!!

West Vancouver Early Childhood Education Centre Update – Opening Early 2026 -

West Vancouver Schools is pleased to share an update on our upcoming **Early Childhood Education Centre** announced in August 2024. Construction is underway, and the new facility is expected to open in early 2026. Once complete, it will offer high-quality childcare for children ages 0–5, operating at market value rates. We look forward to welcoming families into this purpose-built, modern space designed to support early learning and child care in our community.

West Vancouver – Help us Become the Most Active Community in Canada!

The ParticipACTION Community Challenge is a national physical activity initiative that encourages Canadians to get active in search of Canada’s Most Active Community. In 2021, the community of West Vancouver placed second in Canada.

It is our goal to be the **most active** community in Canada. West Vancouver Schools will be participating in this initiative. Individuals can pledge to ‘get active’ throughout June in support of the community’s efforts without having to track any movement minutes.

To support West Vancouver in this initiative, we hope you will take the pledge to get active:

Let’s make movement matter!
