ULTIMATE SEASON

A heartfelt thank you to Ms. Little and Ms. Rust for coaching another incredible season of Ultimate at West Bay! Their time, energy, and encouragement helped our students grow both in skill and in sportsmanship. Our players should feel proud of their progress this season—not just in how they played the game, but in the teamwork, communication, and perseverance they demonstrated on the field.

25-26 PARENT INPUT FOR CLASS PLACEMENT OPEN UNTIL FRIDAY 16 MAY

Dear Parents/Guardians,

Over the coming months, West Bay teachers will configure students into classes for the 2025-2026 school year. You may complete [this form](#) to share information you feel should be considered when placing your child for the next school year. This form is optional.

The class placement process is very complex as teachers consider the individual needs of students as well as group dynamics. When placing students, school personnel consider teachers' observations of individual needs and social dynamics, input from support staff, class size and composition (learning and behavior needs, gender), and learning styles.

Parent feedback is valued and will be considered, but it is important for families to know that there are many other factors that affect the placement of students and teachers' observations drive placement decisions. If you hope that your child is placed with close peers, please note that we aim to place children with peers who they learn well with (feel connected to; support each other's learning; don't distract each other; and make good decisions together).

If you have input, please ensure it is shared before this form closes on Friday, May 16, so that it can be taken into consideration.

SHARING THE PLANET PYP EXHIBITION MAKING A DIFFERENCE

The Ethical Corporation Exhibition Group (Nicole M., Emilia K., Emilia H., and Kai S.) has been hard at work saving lightly used sports equipment from the landfill and giving it a second life.

After researching local charities, the team partnered with "Sports for Support," an organization founded by Cameron Lee (Gr. 12, St. George's) that redistributes equipment to foster children, single-parent families, and remote Northern communities. Inspired by Cameron's mission to make sports accessible to all, the group created brochures, organized an equipment drive in their neighbourhoods, and collected two carloads of donations. Last week, they delivered the equipment to "The Sports Exchange" store in Vancouver, where the founder personally thanked them. Congratulations to the team for making a real impact!

WHO WE ARE

What does wellness mean?

What is important to you?

What brings you joy?

Students worked in small groups to answer the questions above. They worked collaboratively to create a wellness circle that included everything they agreed was important!

OPEN PARACHUTE

Open Parachute is a school program being used in West Vancouver classrooms in grades 6-9. It is one tool we are using to support social emotional learning.

This resource is also available to all parents and it is fantastic. Parents are strongly encouraged (no matter the age of your child) to sign up and create an account.

You will have access to short video clips and lessons to help equip parents to handle those emotional ups and downs that are inevitable.

To sign up for an account use this [link](#).

COMMUNITY CONNECTIONS

Starting now, individual "Community Connections" will no longer be included in our school bulletins. Instead, all local programs, events, and resources will be found in one convenient location, accessible through a [single link](#)
