RAINBOW DAY - FRI 5 JUNE

Celebrating Diversity

Students can dress colourfully to represent their own unique self tomorrow.

In a world where you can be anything, be you. West Bay will be having Rainbow Day on Friday, June 5th! It's an opportunity to celebrate diversity and our unique identities while raising awareness about the rich culture and history of our 2SLGBTQ+ community.

ROAD CLOSURE COMING 9 AND 10 JUNE

Significant work will be done on Marine Drive at the 31st intersection which **will impact many families during drop-off and pick-up on June 9th and 10th.**

On June 9th, a road closure to the public will be in place at 31st Street and Marine. Only buses and residents accessing private driveways within the zone will be permitted. All others will need to detour.

On June 10th, no traffic will be permitted through the 31st closure, including buses which will have to detour. The detour will be Mathers Avenue. Access to and from Mathers Avenue will be via Hillcrest Street, 30th Street, and 29th Street.

The closures June 9th and 10th are for hydro work in preparation for longer-term work on 31st and Marine from June-December 2026.

Further details and updates are shared by West Vancouver District here:

WEST BAY'S 2023-2026 SCHOOL GOAL FESL (Framework for Enhancing Student Learning)

PLAN SUMMARY IS [HERE](#). West Bay students will cultivate a deep understanding of their Learner Profile attributes, empowering them to (1) become proactive leaders in their educational journey, (2) confidently navigate conflict resolution, and (3) passionately support causes they care about

SPRING MIRACLE

Primary students outdid themselves performing *Spring Miracle* earlier this week. Thank you to all staff who helped: preparing students, creating beautiful scenery, adjusting schedules, creating the program and tickets, working on sound, etc. Congratulations and huge gratitude to Ms. Oancea, for writing a joyful, beautiful musical, where everyone had an important part, and for working with students so skillfully, and with such commitment to allow for two wonderful performances.

Bike to School Week, Coming Soon!

West Bay students will be encouraged to roll or walk to school during the week of June 15. Active transportation is essential for individual health, and the health of the planet, and a fun way to start and finish the school day. Further details will be shared next week.

SHARING THE PLANET

On their next unit of inquiry Gr 5 students will be learning about our world, the natural resources it provides, and how humans interact with and depend on these resources in responsible and sustainable ways. To highlight and better understand this, students in Division 6 participated in a guided kayaking tour on Bowen Island last week. Division 5 will do the same field trip next week on the 11th June.

A PROBLEM WITH SOLUTIONS

It takes way too long for parents to pick up their children after school. Fortunately, this problem is solvable. The most helpful are:

1. Please pull up as far as you can to pick up your child so cars behind you can do the same.
2. If you absolutely have to get out of your car, please wait until you are in the furthest spot forward so you are not in the way.
3. Please remind your child (we'll do the same) to be ready for you: they are looking for your car and have their backpack ready.

DROP-OFF AND PICK-UP

Please ensure you pull as far forward as possible to avoid a backlog behind you. If you need to get out to look for your child, wait until you are in spots 1 or 2.

PARKING DOS AND DON'TS

Click [HERE](#) for more information.

ONLY Kindergarten families are permitted to park in the upper field lot at the beginning and end of the school day. Please display your K decal.

VOLUNTARY ABSENCES FROM SCHOOL

Please understand that if you are choosing to take extended holidays when classes are in session, teachers cannot replicate the learning that happens within the classroom and are not able to provide online learning opportunities.

Our teachers do their very best to support students during required absences due to illness, however, when the absence is voluntary and a family's choice (such as extending a weekend, holiday, or vacation), it is a family's responsibility to maintain academic learning at home.

Please take time to read with your child, have them write in a "holiday" journal, do Math IXL online, participate in any assignments shared via Google Classroom (intermediate students), and take advantage of other emergent opportunities to practise foundational skills (e.g. following instructions and using math while cooking).

Families may email their child's teacher(s) to see if there is other work their child can do, however, our teachers' energy and focus continues to be on the learning of students within the classroom

HOT LUNCH ORDERING Ongoing Ordering [Here](#)

(1 week window
- this is a change)

Monday - Fresh Bay Pizza and Aburi
Tuesday - Aburi
Wednesday - Well Fed
Friday - Panago and Well Fed

Any questions - email

Multi-Age Classrooms

Most schools in our District include multi-age classrooms. Click on the image below to learn more.

MULTI-AGE CLASSROOMS

Why do we have multi-age classrooms?

When the number of students at each grade level does not divide evenly into provincially required class sizes, a combined class sometimes becomes the most effective and balanced way to organize learning.

In addition to enrolment patterns, schools also consider class composition, such as student learning styles, strengths, social dynamics, and peer relationships. These factors help us create classrooms that are supportive, safe, and well-balanced for all students.

What does it look like?

In multi-age classrooms, the focus is on how students learn, not their grade level, with instruction centred on big ideas, shared experiences, flexible grouping and ongoing assessment.

Planning is guided by each child's strengths and next steps, reflecting how students naturally learn through collaboration and reflection.

How are we supporting all students?

Multi-age classrooms use a variety of teaching approaches so all students can learn in ways that work best for them, including working in different group sizes, having choices in how they show their learning, and receiving regular feedback.

These are strong, everyday teaching practices used in all West Vancouver Schools classrooms.

What about my child?

For students, a multi-age classroom means learning with peers of different strengths, being

COMMUNITY CONNECTIONS

Local programs, events, and resources will be found in one convenient location, accessible through a **single link** rather than

WVBC Basketball and West Van Volley Summer Camps

The West Vancouver Basketball Club and West Van Volley are excited to offer 4 weeks of summer camps beginning on July 13th for students entering grades 2-12. All camps will be held at West Van Secondary School. Students that enrol in a basketball camp and a volleyball camp will receive a 10% discount off
