Daily Health Check It is important that parents **continue** to do a thorough **DAILY HEALTH CHECK**. At school we have always followed the same procedures regarding student illnesses - when children are sick and not well enough to be at school and participate **fully in all aspects of the day**, for any reason, parents will be contacted and asked to pick up their child. The purpose of this has always been to ensure the child receives the care they need and that the illness is not spread at the school.

WESTCOT Athletic Hoodie/Westcot Beanie For those of you who have missed ordering it's not too late. We have Beanies and Sweatshirts in the office. There are limited sizes and amounts. **Click [HERE](#)** to order, login and Go to Fundraising Open to order and make your payment. **Once your order has been completed we will be able to fulfill these orders with surplus stock right away.**

Reminder to send your children to school dressed for the weather - we are expecting winter cold conditions to continue, and we always have outdoor recess time. With temperatures snow on the ground, please ensure your child is prepared with proper outerwear and footwear including, gloves, toque, scarf etc. It is also a very good idea to have a set of extra clothes (including socks/shoes) at school should your child get wet and/or muddy during the school day.

Returning to Westcot for the 2024 – 2025 School Year? As we are currently accepting new registrations for the 2024-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school. We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge whether your child will not be returning to us in September (and we certainly hope he/she will be!). This will greatly assist us in knowing how many spaces are available. Please note that if you are planning to return to Westcot, students are expected to be present (at school) by September 5, 2024 to guarantee their spot for the 2024 - 2025. If you know you will not be returning to Westcot please let Ms. Satchell know in writing as soon as possible. rsatchell@wvschools.ca

Cybersafe from Exploitation

Parent Presentation

What does exploitation have to do with cyber safety?

Most often times referred to as "sexual exploitation", it involves a minor being taken advantage of sexually. The majority of sexual exploitation is now facilitated digitally through gaming platforms, social media, live stream, and more. Forms of online sexual exploitation include grooming by predatory people, digital blackmail, intimate image sharing, or sugar daddy scams.

What you'll learn:

Our approach to cyber safety is to address the root causes that would lead to exploitation, as well as provide tangible strategies to break down vulnerabilities that would lead children and youth into online sexual exploitation. Some topics covered include:

- Defining sexual exploitation and why online poses more risk
- Current online exploitation trends
- Effective language to use when talking to kids/ teens
- The red flags and warning signs of grooming
- Sexting, digital consent, and the law
- Digital blackmail into sextortion, trends, and what to do
- Information sharing- What is and is not okay
- High risk behaviours on social media platforms
- Addressing risks associated with online gaming platforms
- Age of consent laws and how they can help you as a parent
- How to have effective conversations with your child/ teen
