Daily Health Check It is important that parents **continue** to do a thorough **DAILY HEALTH CHECK**. At school we have always followed the same procedures regarding student illnesses - when children are sick and not well enough to be at school and participate **fully in all aspects of the day**, for any reason, parents will be contacted and asked to pick up their child. The purpose of this has always been to ensure the child receives the care they need and that the illness is not spread at the school.

Emergency Connections Westcot Families, if you would like to be notified of a school emergency such as power outages, severe weather or safety alerts via SMS, please text a "Y" or "Yes" to **978338** to ensure you are on the list.

Returning to Westcot for the 2024 – 2025 School Year? As we are currently accepting new registrations for the 2024-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school. We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge whether your child will not be returning to us in September (and we certainly hope he/she will be!). This will greatly assist us in knowing how many spaces are available. **Please note that if you are planning to return to Westcot, students are expected to be present (at school) by September 5, 2024 to guarantee their spot for the 2024 - 2025.** If you know you will not be returning to Westcot please let Ms. Satchell know in writing as soon as possible. rsatchell@wvschools.ca

A Message from our District Vice Principal of Innovation and Technology Cari Wilson

Lately I've had quite a few requests from both parents and teachers about how to help students develop the skills they need to navigate our digital world and what to do when they get in over their heads. So, while I normally write this blog for educators, today's post is written for and dedicated to those parents who are working hard to help their little digital native stay safe in this crazy world. Here are my top tips for parenting your cellphone-toting, AI-talking tots, teens and in-betweens!

Please find the full post here [This One's For The Parents! \(wordpress.com\)](#)

Parking at St. David's Church We have been advised that St David's parking lot will be closed to all Westcot families for pick up and drop off between March 7 - 13th. The lot is being used by as a Movie location.

Learning Updates Communicating Student Learning Term Two Learning Updates (Report Cards) will be posted on MyEducation BC by our school office on March 15th, 2024. Please be certain you have followed the directions below IN ADVANCE of that date to ensure you can access your child's documents. It is suggested that families download the documents and save them on their computer or print them for future access as the school office no longer prints these updates.

The district has provided a great deal of useful information and has answered FAQ about the Family Portal at this link: <https://westvancouver.schools.ca/family-portal>

Notes:

1. It will not work with a cell phone or tablet. You will need to use a PC or laptop.
2. It works best if you are using Google Chrome.
3. Don't copy and paste the username and password. You need to type it in
4. Enable popups
5. When you log in it might say "Your password has expired. Please create a new one". Hit OK and follow the instructions on how to create a new password.
6. If you cannot remember your password click "I forgot my password"— a reset link will be sent to your email as with other secure sites

If you follow the instructions carefully and use the proper device, you should be able to access the portal and view the report card. It will be found on the right-hand side of the home page under PUBLISHED REPORTS. It will be a PDF called Term 2 report Student Name.

Please contact Ms. Satchell at rsatchell@wvschools.ca if you need further assistance.
