Daily Health Check It is important that parents **continue** to do a thorough **DAILY HEALTH CHECK**. At school we have always followed the same procedures regarding student illnesses - in all children are sick and not well enough to be at school and participate **fully in all aspects of the day**, for any reason, parents will be contacted and asked to pick up their child. The purpose of this has always been to ensure the child receives the care they need and that the illness is not spread at the school.

Parent Input into Student Placement For 2024/2025 School Year We always provide a process for parents who feel additional information is necessary for staff as they consider placements for next year. If you choose to complete the form, please remember that **names of teachers are not to be added specifically**. Please follow this [link](#) to our website to find a copy. Once completed, please email the form to cratz@wvschools.ca Deadline for Submission June 14.

A Message from our Teacher Librarians Mrs. Hunt and Mrs. McKay Please help us to get **all library books** in by Friday June 12th. Students do not need to wait for their library day in order to bring their materials back. As the elementary school libraries wind down, the West Vancouver Memorial Library is gearing up with many fun programs and activities planned.

Students can sign up in person at the West Vancouver Memorial Library (or your public library of choice) or **on-line** <https://westvanlibrary.ca/kids-teens/summer-reading-club/>. The Summer Reading Club is for students in Kindergarten to grade six. The Teen Summer Reading Club is for students entering grade seven or above. The programs are free and are a wonderful way to encourage reading and keep up literacy skills. Did you know students that are registered can read from anywhere they happen to be in the summer and in any language? They just check back when they return, even if that's early September.

Registration is already open. We encourage the students to sign up and start filling out their forms as soon as possible. This gives more flexibility in the summer for any missed days of reading. There are bragging rights too for the school with the most participants. Westcot lost out last year but prior to that earned the large school trophy three years running. Let's get reading Westcot!

It is **TIME** to get ready

Returning to Westcot for the 2024 – 2025 School Year? Planning your Summer Holidays? As we are currently accepting new registrations for the 2024-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school. We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge whether your child will not be returning to us in September (and we certainly hope he/she will be!). This will greatly assist us in knowing how many spaces are available. **Please note that if you are planning to return to Westcot, students are expected to be present (at school) by September 5, 2024 to guarantee their spot for the 2024 - 2025.** If you know you will not be returning to Westcot please let Ms. Satchell know in writing as soon as possible. rsatchell@wvschools.ca
