**Daily Health Check** It is important that parents **continue** to do a thorough **DAILY HEALTH CHECK**. At school we have always followed the same procedures regarding student illnesses - when children are sick and not well enough to be at school and participate **fully in all aspects of the day**, for any reason, parents will be contacted and asked to pick up their child. The purpose of this has always been to ensure the child receives the care they need and that the illness is not spread at the school.

**DISTRICT WEATHER CLOSURES AND PROCEDURES** As winter approaches, the likelihood of school disruptions due to snowfall or power outages increases. As such, I would like to provide you with some important information about the district's weather closure of schools procedures and announcements process.

The district aims to keep schools open on every regular instructional day, including those with snowfall. However, the final decision to send students to school resides with the parent or guardian since they are most familiar with the specific road and weather conditions around their home and community.

**Weather Closure of Schools (Outside School Hours)**

Any decision to close schools for the safety of children will be made by the Superintendent. Parents, students, and staff will be informed of the Superintendent's decision via the school district website at [www.westvancouver.schools.ca](http://www.westvancouver.schools.ca) and a School Messenger email

We endeavour to communicate this information to parents and staff by 6:00 a.m. on the day of closure.

**Weather Closure of Schools (During School Hours)**

If weather conditions create a concern for the safety of students returning home, the school principal can decide to dismiss school early after consulting with the Superintendent.

The decision will be communicated to parents and students using the school's normal communication systems.

Student safety is our first priority. Every effort will be made to keep schools open, but parents are encouraged to establish a plan for their children in the event of early dismissal or school closure.

As always, please refer to [this section of our website](#) for the latest information.
