Daily Health Check It is important that parents **continue** to do a thorough **DAILY HEALTH CHECK**. At school we have always followed the same procedures regarding student illnesses - when children are sick and not well enough to be at school and participate **fully in all aspects of the day**, for any reason, parents will be contacted and asked to pick up their child. The purpose of this has always been to ensure the child receives the care they need and that the illness is not spread at the school.

Monday January 27th is a District Professional Development Day. There is no school for students on this day.

Returning to Westcot for the 2025 – 2026 School Year? As we are currently accepting new registrations for the 2025-25 school year, we are trying to predict as closely as possible whether or not we have room for those new students interested in joining our school. We understand that job transfers happen and relocations can occur without much notice however, please indicate to the best of your knowledge whether your child will not be returning to us in September (and we certainly hope he/she will be!).
