

WESTCOT WEEKLY

Principal's Message

It has been an active few weeks at Westcot filled with kindness and movement! We loved welcoming Amber and Erin, our physical literacy experts, who led students through engaging games that had everyone moving, collaborating, and having fun together. Our students have also enjoyed our Pink Shirt Day dance, hands-on cooking programs, meaningful mountain visits, and an incredible showing at the recent basketball jamborees. We are so proud of how our students represented our school in the community. Our Tigers demonstrated respect, teamwork, and true sportsmanship!

Ms. Martinez and Ms. Morton

Returning to Westcot in 2026–2027?

As we plan for next year, please let us know as soon as possible if your child will not be returning to Westcot in September. This helps us plan for new registrations. If your child will not be returning, please email Ms. Satchell at rsatchell@wvschools.ca.

Students who are returning are expected to be present by September 8, 2026.

STUDENT LEARNING SURVEY

Student Learning Survey 2025/2026

The Provincial Student Learning Survey is unique in its scope, size and usefulness to schools. It gathers information from parents/guardians/caregivers, teachers, and students on topics related to school environment, safety, and achievement. The information is used for planning in individual schools and provides a district and provincial perspective.

Early in **2026** the Student Learning Survey will be administered to students in grades _____, their parents/guardians/caregivers, and all school staff. We encourage parents/guardians/caregivers to participate in this survey, as the results are important in identifying and celebrating current strengths, as well as determining where the school needs to focus improvement. The surveys contain standard questions for the Province – in addition, questions from the school and/or district that focus on local conditions or issues may be included.

The survey can be completed electronically and can be accessed on the Internet at <https://www2.gov.bc.ca/gov/content/education-training/k-12/support/student-learning-survey>. Any computer or mobile device with an Internet connection can be used, and access to the e-survey is simple and secure. The survey can be accessed through the link and by clicking on Take the Survey. On the login page, click on the Parents icon, and then select the school district and school name where your child attends school. Provincial, District and School Reports for previous years can be viewed at the same site under the *Results* section.

The e-survey site will be open until May 1, 2026.

LIGHTS UP MUSICAL THEATRE AFTERSCHOOL AT WESTCOT ELEMENTARY

Sing. Dance. Act. Shine!

At Lights Up Afterschool, your child can experience the joys and benefits of musical theatre by taking part in our afterschool programs led by our talented and experienced Lights Up Musical Theatre Schools' staff. These classes are a unique introduction to our weekend musical theatre programs and provide students with an enriching, rewarding, and most of all, fun afterschool activity right at the bell!

SPRING SHOW: MARY POPPINS!

This spring, our Lights Up afterschool students will fly into the magical, musical world of Mary Poppins! Inspired by the beloved films, "Mary Poppins" features iconic songs, exciting dances, and extraordinary imagination. From chimney sweeps to dancing penguins, it is sure to be supercalifragilisticexpialidocious!

Students will be supervised from dismissal. No need to pick up your child until 5pm!

Performance on the last day of classes for friends and family!

Parent & Guardian's Guide to Personal Digital Devices

Personal Digital Devices include any personal electronic device that can be used to communicate or to access the internet, such as cell phones, phones, laptops, tablets, smartwatches and any other portable technology device.

Laptops are the preferred device for school use.

Social Media & Digital | West Vancouver Schools

Please view our Video Resources for information about WVS throughout the years

westvancouver.schools.ca

While digital devices can enhance learning in many ways, allowing students to collaborate, create and communicate, it is important that they are used in a mindful and meaningful way.

Personal digital devices should only be used with the permission of a teacher or administrator. Additional considerations will be made to provide for student's health and accessibility needs, and accommodation requirements.

Elementary

Cell phones should NOT be used in elementary school.

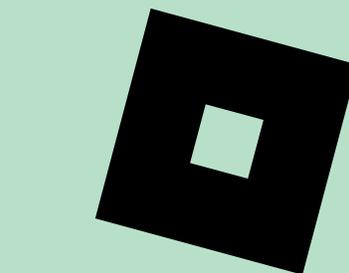

Secondary

Cell phones should only be used in class if specifically required for a learning task.

What can parents and guardians do to help?

- Understand the digital device expectations at your child's school
- Support and encourage your child's appropriate use of digital devices
- Refrain from contacting your child during the school day. If it's an emergency, contact the school office
- Personally model and encourage digital device boundaries

Roblox at School

West Vancouver Schools DOES NOT allow students to access Roblox while using school wifi.

Did You Know?

Experts who study sextortion and online predatory behaviour cite Roblox as a prime app for these "bad actors" to use to befriend victims. They will lure a child in by posing as a peer and then convince the child to "meet" them on another platform such as WhatsApp or Discord, where they can be more intimate. Boys between the ages of 9 and 15 are prime targets.

Personal Digital Devices Reminders

Over the first term, students and staff have worked hard to follow the West Vancouver Schools Personal Digital Device (PDD) expectations. Classrooms are more focused, transitions are smoother, and students tell us they can concentrate better without the pull of their phones. Thank you to families for reinforcing these habits at home. As we return to school after the winter break, please help us keep this momentum going by reminding your children of the digital device expectations while at school.

What's expected at school:

- Elementary (K-7): Cell phones are not used during the school day, including before and after school and at recess and lunch times. Laptops may be used to support learning during instructional time, only with explicit staff permission.
- Secondary (8-12): Cell phones and other digital devices should only be used during instructional time with explicit staff permission. Device use should be intentional, supervised, and tied to learning.

How families can help:

Parents and guardians are encouraged to support schools by demonstrating these expectations whenever possible. This includes limiting adult cell phone use in and around school and refraining from contacting your child during school hours.

For a one-page overview of expectations, [see our Parent & Guardian Infographic.](#)

Feeding Futures

As part of the Ministry of Education and Childcare Feeding Futures initiative, the West Vancouver School District has established a food security structure to confidentially assist students and families. The West Vancouver School District Food Security Plan will help students and families by providing confidential financial support for families facing food insecurity. Families are encouraged to reach out directly to their school principal or to feedingfutures@wvschools.ca if they need support with food-related costs. Please be assured that all requests will be addressed with sensitivity, respect, and confidentiality.

WESTVANRUN

West Van Run! March 7th and 8th

We invite students and families to take part in this fun, community run and enjoy special discounted registration. Parents and students can register for \$45 using the code WVSCHOOLS, and children can join the Kids 1K for \$15 using the code WVKIDS. These codes can also be used by other family members who would like to participate.

Whether you prefer walking, jogging, or running, this event welcomes all ages and abilities. It's a great way for families to be active together and supports our shared commitment to health and well-being across West Vancouver Schools.

WESTCOT TRAFFIC SAFETY

Pick up and Drop Off

Thank you to all the families who help to keep our pick up and drop off as quick and orderly as possible. Thank you for having backpacks ready, coats on and having students exit quickly when you in a Drop only Zone. Thank you for not blocking driveways or parking on sidewalks and curbs and thank you for never stopping to let your children off in the middle of the road. Just a few reminders to keep in mind to keep our students safe, traffic flowing and neighbours happy.

- Please avoid getting out of your car in our 2 drop student zones. We have room for 6 cars in these spots. Move forward and merge quickly to free the spot. (One marked yellow in this photo).
 - Please do not enter the staff driveway at any time - before/after school, when using Before and After School Care or at mid day pick ups...
 - Use the Accessible spaces only if you are entitled to them, we have students and families who need them. Even for a quick stop - it's not ok.
- Do not park in front the cross walk. We need to keep sight-lines clear.
- Please be respectful of the privilege of parking at St. David's Church while we are still able to do so.. Park in designated spots, respect no parking zones and make your pick up and drop of quick.
