

WVSS PAC Meeting Minutes

17th November, 2020

Principal's report:

- We have given out the grade 12 and grade 8 shirts to students and the response seems positive. Steve has seen a few kids wearing them which is great
- Our Remembrance Day recognition went over very well. Thanks to Mr. Zimmerman the film teacher and everyone who took part to make this happen
- Each year the school donates crosses made by the woodworking class to the Capilano View Cemetery. Steve took some students up there and they helped the grounds crew put up crosses for people who had died in battle. It was very impactful for the kids to see this
- **Last Day of Q1 is 17th November and Q2 starts on the 18th**
- We are fortunate to have had very little staff illness at WVSS for any reason. We are lucky to have such healthy staff!

Treasurers report:

 - We will continue to push this out throughout the year in the newsletters
- **Poinsettia fundraiser** – we have approx. \$4000 in orders which is way above the number from last year
 - Mindy & Steve will be sorting orders on 1st Dec and volunteer help would be great – **Dana, Morag, Monica, Lisa volunteered** (sorry if I missed anyone)
