## **3. International Travel**

With international borders opening up families are reminded that students who are not fully vaccinated cannot attend school for 14 days following their return to Canada. The child is not required to quarantine **but is not allowed to attend school**. We encourage all of our families to carefully review the [Canada Border Services](#) information before you make your travel plans. At this time, full vaccinated students can return to school as long as they have a negative test and their second vaccine at least 2 weeks prior to their return. All travelers must follow the Canada Border Services requirements and Provincial Health Authority requirements. If you have any questions please contact our principal, Mr. Steve Rauh.

## **4. X Block Opportunities**

Staff and students continue to make excellent use of X Block. As instructional time, it allows for and promotes flexibility in how and where students choose to make the most use of their time. Staff continue to develop, offer and promote opportunities and support that is timely and relevant to their students' learning. We continue to encourage students to plan ahead and use their time wisely. They can:

- Receive academic support from their teachers
- Use the Library for quiet study, reading and more

- Work on their group projects
- Take part in a workshop
- Complete all their homework before they leave for the day
- If students are unsure what to do, they are encouraged to ask their teachers! Staff emails can be found in the West Van App and on our website.

**This Week in X:** Student council is excited to announce that starting Dec. 9<sup>th</sup>, we will be holding movie sessions during lunch through X block! There will be hot chocolate and treats available. The entry fee is donation money or canned food, which will be donated to a food bank. Hope to see you in the cafeteria!
