PRINCIPAL'S MESSAGE

PRINCIPAL'S MESSAGE

Dear Parents and Guardians,

It is hard to believe that that time has passed by so quickly this year. It was only months ago that the grade 12 scholarship and award winners highlighted in this issue of the Piper were walking across the stage in the virtual graduation with their peers to embark on the next leg of their life journey. On behalf of the staff at West Vancouver Secondary we sincerely wish all of our graduates of 2021 the very best and hope that you too are enjoying your year and continuing to achieve the goals that you set for yourselves.

To the parents and guardians of our grade 8 students, as well as families new to the school, I trust that the first few months have left you with the feeling that West Vancouver Secondary School is an exceptional place to be. We are pleased that you are a part of our school community and look forward to a long and meaningful relationship with you and your children.

The staff at WVSS is proud of the work that they do, the programs that we offer, and the extra-curricular opportunities available for our students. I hope that all of the students find ways to get involved either in class, by joining a club or team, or trying out for a part in the drama production. As you may have experienced, time goes by very quickly and I encourage you to take advantage of opportunities as they arise.

COVID-19 has definitely had an impact and played a significant role in the ways the we normally operate. From remote learning, to a quarter and then semester system, to mask-wearing and physical distancing, and a year long pause to many aspects including clubs and sports that we rely on to build our school culture

and climate. It has been anything but normal.

Regardless, you should all be proud of what you have both endured and accomplished. With adversity comes opportunity; opportunity to build new skills including resilience, flexibility, and empathy. Opportunity to view the world differently and perhaps re-evaluate our place in it and your ability to enact positive and meaningful change as individuals. To see that our actions can make a difference if the desire is strong enough.

Our graduates are entering a world that did not exist 18 months ago. You alone have the power and conviction to lead the next generation so that future generations can carry on and develop your legacy. Do not wait for someone else to do something about it, for they are in fact waiting for you to do so.

Overall, our school start up this year has been smooth and that is a reflection of the hard work done by our staff both in the classrooms and in the office. As well, we have been impressed by the tone that the students have set early in the school this year. They arrived in September full of enthusiasm and a willingness to focus quickly on their studies. I continue to be amazed by the accomplishments of our students, the high degree of professionalism and care exhibited by our staff, and the level of support that we receive from our parents. Thank you for continuing to make West Vancouver Secondary School an exceptional place to learn.

Sincerely,

*Steve Rauh
Principal*

The Piper

The Piper is a combined administrative newsletter and school newspaper for:
West Vancouver Secondary School,
1750 Mathers Avenue,
West Vancouver BC V7V 2G7,
