5. Youth & Vaping - Information, Consideration & Impacts – June 12th

In addition to ongoing student education, our schools regularly monitor and supervise all school spaces and post visuals in our schools reminding students that our facilities are vape free. One of the ways we would like to support our families and youth in learning more about vaping is partnering with Foundry for an upcoming series entitled “Youth & Vaping – Information, Considerations & Impacts” on June 12th at Rockridge Secondary. This evening event will be led by keynote speakers: Lindsay MacDonald and Lauren Wilkinson, both of whom have extensive knowledge surrounding the world of youth and vaping. Registration for this event will come out in mid-May.

Topics to be discussed will include: Youth vaping rates, Stats, Products, Industry influence, Health impacts including addictions and local supports for youth.
