3. PHE Outdoor Recreation Program

Ready to take your PHE experience to the next level? The district is offering a PHE Outdoor Recreation program for grades 10-12, with grade 9 students eligible by PHE teacher recommendations. Students in the program will experience many outdoor adventures such as kayaking, sailing, snowshoeing, and skiing, and will participate in multi-day backpacking and kayaking trips. Throughout the year, students will work towards certifications such as Avalanche Safety, Remote First Aid, Belaying, and Paddle Canada (Kayaking). When we're not out on exciting trips, we stay local, honing our skills like knot tying, shelter building, teamwork, and compass reading, or playing games. This course is about learning how to recreate responsibly while having fun as you encounter new challenges and explore the natural world. And the best part? No experience is necessary—just bring your enthusiasm and a desire to be outside.

If you're ready to get outside, try new things, and make unforgettable memories, check out the program on the West Vancouver Schools website for more details and application information: West Vancouver Schools Outdoor Recreation Program.

7. Personal Digital Device Expectations for the New Year

As we begin a new term, we'd like to remind students and families of our Personal Digital Device (PDD) expectations, which have been key to fostering focused and engaging learning environments.

Students are expected to use personal digital devices only with the explicit permission of a teacher or administrator, ensuring their use is intentional and supports learning.

Families can continue to support this by:

- Encouraging balanced screen time at home.
- Avoiding calls or texts to students during school hours.
- Modeling mindful device use when on school property and at home.

Let's keep building on the success of this initiative and continue supporting safe, focused learning for all!
