Summer Learning - Student Worker International Program

Each year, West Vancouver Schools' International Programs offers a New Student Orientation program to elementary and secondary-level international students who have just arrived to begin their studies in our schools. Student Leaders form an important part of New Student Orientation. Student Leaders are mature, senior students (currently in grade 10 and 11) at our secondary schools who provide leadership to our international students to be successful. They help the international students become familiar with our local schools, community, and culture. Successful candidates should be available from August 25, 2026, to September 2, 2026. There may be additional opportunities to work with International Programs during the school year.

Personal Digital Devices

West Vancouver Schools continues to focus on keeping learning spaces calm, focused, and supportive for students. Clear and consistent expectations around cell phones and other personal digital devices help reduce distractions and support student well-being throughout the school day.

- Cell phones and personal digital devices are used during instructional time only when explicitly permitted by staff
- Any device use is purposeful, supervised, and directly connected to learning

How families can support consistency:

- Avoid texting or calling students during school hours
- Model limited cell phone use when on school grounds
- Reinforce expectations at home so students receive the same message from school and family

A one-page Parent & Guardian Personal Digital Device Infographic is available for a clear summary of expectations.

Optional Accident Insurance for Families

West Vancouver Schools reminds families each year that personal injury or accident costs are not covered by the district or its insurance provider. To help protect against expenses from accidental injury, unexpected medical costs, or critical illness, families have the option to purchase voluntary accident insurance plans. A variety of providers offer different levels of coverage, so families are encouraged to review their options carefully and choose a plan that best meets their needs.
