1. Welcome – Co-chair, Dana Sebal:

- Dana opened the meeting and introduced the WVSS PAC.

2. Treasurer's report – Stephen Scali

- The treasurer's report covers 3 accounts: Gaming, Trust & General. Stephen presented the Actual Accounts for the June 2025 – May 2026 year and the Proposed Budget for June 2026 – May 2027. **The proposed budget was approved unanimously.**

- All PAC accounts are in good standing. We have surplus money in the accounts to carry over to next year. Next year's proposed budget looks very similar to this past year's accounts.

3. Staff Appreciation Lunch – Dana Sebal

- The PAC is hosting this event in the North Campus Cafeteria on Wednesday June 24th.
- The theme this year is World Cup [soccer/football].
- The WVSS bulletin has a link to our online sign-up sheet. Parents can sign up to bring food and/or help with set-up, serving, and clean-up.
- Amy is leading the organizing committee

4. 2026-2027 PAC Members

- As most current members are remaining in their positions, we did not require an election process.
- The WVSS PAC Executive for 2026-2027 are as follows:
Co-Chairs: Julie Bruford & Amy Ng
Vice-Chair: Dana Sebal
Treasurer: Stephen Scali
Secretary:
DPAC Reps: Neggy Agnew, Julie Cameron
Website: Alice Chang
Members at Large: Various members to be confirmed in September 2026

5. Principal's Report – Mr. Steve Rauh.

- Mr. Rauh expressed his thanks to the PAC for our fundraising efforts. The funds are especially helpful when arranging transportation for off-campus events.
 - *New Report Card [Learning Update] format:* Student self-assessments as they relate to Core Competencies are now featured on the report cards. Mr. Rauh gave a detailed explanation of the four Core Competencies [Thinking, Communication, Personal & Social Responsibility] and how they are now integrated into the learning process. WVSS has a 3-year Framework for Enhancing Student Learning (FESL). This describes the goal of our school: to support all students to be learners. This includes time management strategies and readiness.
 - View boards are now installed in every school in the district. These giant touch screens are great teaching tools and allow teachers to display agendas, connect to Google Classroom, and collaborate in real time with students.
 - *Queries:* Emma explained there is a feature of Google Classroom called "Guidance summary". This allows parents to receive notifications regarding their student's progress. It is no extra work for teachers and other districts are using it. Mr. Rauh will investigate.
- The next Parent's PAC Social event will be at 7:30 pm at the Red Lion on Tuesday June 16, 2026.
 - The next WVSS PAC executive meeting will be in September 2026

Meeting Adjourned at 8:25 PM
