

WVTA Death Benefit Clause

“In the event of the death of a teacher who is in the employ of the Board, the Board shall pay to the designated beneficiary, to the estate of the deceased if there be no designated beneficiary, an amount equal to ONE FULL MONTH’S current salary.

This payment shall be in addition to any amount earned by the deceased during the last month he/she served.”

We sincerely hope that his benefit will never be needed. However, in the event of death, the benefit will provide survivors with a full month’s salary **while the estate is being settled.**

In order to avoid confusion, we have provided you with examples of appropriate beneficiaries. Please indicate the name of the beneficiary and his/her relationship to you.

Example:	one beneficiary	- Jane Elizabeth Doe (wife) - William Arthur Smith (no relation) - Peter James (Common-law spouse)
	two beneficiaries	- Jan Doe AND Ann Doe (sisters) (Note: please use AND, not OR)

As indicated above in the clause, if you do not indicate a beneficiary, this amount will revert to your estate.

Please call the WVTA office (604-926-1617) if you have any questions.
Completed forms should be returned to the WVTA office as soon as possible.
