
AP 504 – District Programs Support Fund

Background

The District wishes to support students pursuing areas of strength, interest or passion within our District Programs.

The District Programs Support Fund has been established to provide financial assistance to students wishing to participate in a district established program or academy of their choice. The criteria for awarding grants are set out in the procedures below.

Procedures

1. To be eligible for consideration for funding, the following criteria must be met:
 - 1.1 The student must meet the specific criteria of the academy or special program in which they wish to participate and then be approved by the Director of Instruction, Learning and Innovation.
 - 1.2 The student applicant must be a registered as a full-time student within the District.
 - 1.3 Grants will apply only towards the special program or academy monthly fees.
2. The District will contribute five thousand dollars (\$5,000) per annum to the District Programs Support Fund, which will be held in trust and drawn down to support successful applications. This amount will be reviewed annually by the Secretary Treasurer to ensure sustainability over time and within the constraints of the annual operating budget.
3. Applications are to be addressed to the Director of Instruction and reviewed upon receipt. While there is no deadline to apply, applicants are to be aware that processing the application takes one to two (1 to 2) weeks.
