

PROFESSIONAL DEVELOPMENT DAYS
2015-2016

Under the *School Act*, British Columbia's annual school calendar allows for six (6) non-instructional days for teachers to pursue continuous, career-long professional development.

One is a Provincial Professional Development Day, shared by all schools in the province. The other five dates are District Professional Development Days, which are established by each school district, in consultation with teachers, support staff and parents.

In West Vancouver, all Provincial and District Pro-D Days will be shared by all schools for the 2015-2016 school year.

Classes are not in session on these days.

A. Professional Development Day – Provincial (*all schools*)

Friday, October 23, 2015
