Attention: Renzo Del Negro, CEO

Dear Renzo:

Re: 2019 Collective Bargaining – BCTF

We are writing to support the further harmonization of teacher salaries and benefits in the upcoming round of collective bargaining. The staff at BCPSEA has been very helpful in providing an overview of the current salary situation in the province as well as the historical context for the differentiation. However, teacher compensation differentiation between districts remains problematic from a political, recruitment and retention perspective.

We fully understand the fiscal restraint within which you operate during collective bargaining and simply wish to identify this as an area of priority for West Vancouver.

Should you have any questions, please do not hesitate to contact us for clarification.

Yours truly,

Carolyn Broady, Chair
West Vancouver Board of Education
