### About:

Join Brittany Palmer of Unlock your Future as she leads students and parents through a step-by-step program for navigating the scholarship process. Students in all grades and parents are welcome and encouraged to attend: it is never too early to get started. This comprehensive presentation covers topics ranging from building your scholarship foundation to crafting a strong personal statement. The essay strategies discussed during the seminar not only apply to the scholarship process, but also are directly connected to the post-secondary admission process in regard to personal profiles or supplemental applications. Contrary to popular belief, students do *not* need 95% averages or international achievements to win scholarships. Through this seminar followed by a question and answer session, Brittany debunks common scholarship myths and breaks down the complex process into a manageable form. Using this program, Brittany won over \$56,000 in scholarships and has shared her story and strategies with tens of thousands of students, parents and educators since 2005. The Unlock your Future Scholarship Workbook (\$25) and Scholarship Kit (\$30), which are accompaniments to the program, will be available for purchase. There will also be a Scholarship Kit available as a door prize following the seminar. Through this dynamic and informative presentation, Brittany demonstrates that scholarships are indeed possible.
