* ATM operator surcharge (also called a convenience fee) may be charged by other ATM operators. The convenience fee is not a Royal Bank fee and is added directly to the amount of your cash withdrawal. All clients who use non-RBC ATMs may be charged a convenience fee regardless of the type of account they hold. Each account cash withdrawal at an ATM outside Canada displaying the PLUS[†] System symbol, and any fees that may be imposed by any third party for using the ATM, are converted to Canadian dollars at an exchange rate which is 2.5% above the benchmark rate set by the payment card company when the transaction is posted. Exchange rates fluctuate and, as such, the rate applied will usually differ from the posted exchange rate at the time of the transaction.

§ ATM operator surcharge (also called a convenience fee) may apply. It is charged by a third party and added directly to the amount of your cash withdrawal. Totals are not cumulative, and if not used, may not be carried over in to the next Monthly Cycle.

† RBC Rewards points are earned on net purchases only; they are not earned on cash advances (including RBC Royal Bank credit card cheques, balance transfers, cash-like transactions and bill payments that are not pre-authorized charges that you set up with a merchant), interest charges or fees, and credits for returns and adjustments will reduce or cancel the points earned by the amounts originally charged.

‡ The interest rate will fluctuate with the Prime Rate and is subject to change at any time without notice. These rates can be changed, withdrawn or extended at any time without notice. Residential mortgages are offered by Royal Bank of Canada and are subject to its standard lending criteria.
