

UBC PRESENTATION ON THE BENEFITS OF THE IB DIPLOMA

December 8th at 7:00 pm
Kay Meek Theatre
1700 Mathers Ave, West Vancouver

Parents of current and prospective IB Diploma students are invited to attend this information session with Andrew Arida, Associate Registrar and Director of Student Recruitment and Undergraduate Admission at The University of British Columbia.

Andrew will provide an overview of ten years' worth of research on IB student performance at UBC along with a summary of IB-related research from other universities around the world.

This presentation is intended for families and students on the North Shore considering the IB Diploma Programme.

“Should I go into the IB or just stay in the regular high school program?”

“I hear the IB Diploma is very difficult; will doing the IB hurt my chances of getting into university?”

“Why should I do the IB Diploma?”
