

West Vancouver Academy Naming Contest

We want this academy to be about the development of its students. We're here to provide the best that hockey, training, and life that has to offer. This is *your* academy, and we want you to be proud of it.

As a result, we've decided to open up the naming of the program to all of *you*. What name would make you proud to repeat on a daily basis? What name would you be proud to share with your teammates, coaches, staff, friends, and family?

We want to hear all of your suggestions in order to help us bring you the best that West Vancouver has to offer.

The name should be a reflection of what the academy will mean to you and your community. It can have geographic reference, a reference to a particular feeling or emotion, or just send a powerful message.

Prizes:

- **Grand prize:** Dinner for two at Hollyburn Country Club with academy founders Nathan Fischer and Yashar Farmanara, along with two tickets to a Canucks home game.
- **Runner up:** Free on-ice private lesson and \$50 Cactus Club gift card.
