Dear Ms. Broady and Trustees:

RE: Message of Thanks

On behalf of North Shore Community Resources and West Vancouver Memorial Library, co-sponsors of an All Candidates Meeting, we would like to thank the West Vancouver Board of Education and its staff for assisting us in providing space to host the meeting last night.

The West Vancouver-Sea to Sky All Candidates Meeting was originally scheduled for Gleneagles Community Centre. However, we received a call approximately 2.5 hours before our meeting was scheduled to begin indicating that we would be unable to hold the meeting at Gleneagles Community Centre due to the Elections BC rule that all candidates meetings are prohibited from being held at an advanced voting station which was scheduled at Gleneagles Community Centre.

Thinking of Gleneagles Ch'axay Elementary School as a potential alternative site for our meeting, I spoke with Dave Eberwein, Deputy Superintendent who contacted Aron Campbell, Principal and Rene Calogcog, Custodian who set up the school's gymnasium for the meeting.

Citizens arrived at the school, collaboratively co-created the questions that were posed to the candidates and benefited from being able to listen to the answers and comments provided by the candidates. Democracy and our democratic community was well served by the meeting. But it couldn't have happened without Mr. Eberwein's and his team's assistance.

We deeply appreciate those efforts and the ongoing collaborative relationship NSCR has with West Vancouver Schools with respect to a variety of our programs.

Yours sincerely,

Murray Mollard,
Executive Director

C: Chris Kennedy, Superintendent

Aron Campbell, Principal
