Ask the Doctor

presented by
Dr. Jatina Lai

I have been an Emergency physician at Lions Gate Hospital for 10 years.

I love working at LGH and the team is very caring and patient centered.

My husband, Eric and I are very active outdoors. We like hiking, biking, running and snowboarding. Most importantly, I am the mother of Wesley, who is in my opinion the cutest kid in the world. He makes everyone smile even if he can't speak English.

Do you have questions about when to come to the Emergency Department?
Do you know how to assess your child when they injure themselves?
Would you like to get some tips on wound care?
