

## COVID-19 Service Update

**April 7, 2020**

The North Shore Multicultural Society remains committed to supporting parents with children in school and all clients during this uncertain time of COVID-19. While our office has physically closed to the public and clients, our Settlement Workers in Schools and all staff continue to provide services online and by telephone.

To reach us via **telephone**, please call 604-988-2931

To reach us via **email**, please refer to our Services Directory below:
