

Dear Parents,

At First Student School Bus, we are very aware of your concerns about exposure to COVID-19. Schools are expected to resume regular operations and return to in-class instruction. As partner of West Vancouver School District 45 Back to School Plan, our school buses are prepared and ready for the 2020/2021 school term.

## **What we will do for you?**

Our COVID-19 policies and procedures include but are not limited to:

- Physical Distancing of 2 meters
- Washing their hands regularly
- Using PPE Gloves, Non-medical mask or face covering, Hand sanitizer
- Cleaning/disinfecting with an alcohol based cleaner or wipes or spray at the end of shift afterschool.

Inside of the bus (door handles and rails, keys, steering wheel, buttons, switches, student seat area, seat belt latches).

- Coughing/sneezing into their elbow or a tissue

Washing/disinfecting their hands immediately after coughing or sneezing and disposing of tissue in a waste container.

- Reporting any symptoms to their Manager.

## **What you can do to help your school bus driver/attendant?**

- Wash your hands before you embark the school bus.
- Wear non-medical mask or face covering. Mandatory for middle & high school students.
- Seat in your assigned seat and/or students should be loaded from back to front and offload from front to back.
- Coughing/sneezing into their elbow or a tissue

Washing/disinfecting their hands immediately after coughing or sneezing and disposing of tissue in a waste container.

- Stay home when you are sick.

Please feel free to call us with your questions at 604-255-3555.
