Re: Public Hearing for 2195 Gordon Avenue

Dear Mayor Booth and Council,

I write today on behalf of the West Vancouver Board of Education in support of the proposed development at 2195 Gordon Avenue. West Vancouver Schools is the largest employer in West Vancouver, and with it becoming increasingly competitive to recruit and retain educators, facilities and support staff we believe that the proposed non-market rental project would encourage educators to live and work in our community. We talk a great deal about “the missing middle”, and the fact that West Vancouver is no longer accessible to many young families and if approved 2195 Gordon will be a good first step in creating housing opportunities that will bring families back to West Vancouver.

Sincerely,

Carolyn Broady, Chair
West Vancouver Board of Education

Chris Kennedy, Superintendent of Schools
