

## Facility Rentals and Covid-19 Update

West Vancouver Schools will be providing limited rentals beginning in the Fall. In balancing access with our need to keep our facilities safe, at this time West Vancouver Schools will only be permitting rentals to those who have rented our facilities in the past.

Sites will be available for rental from 5 – 9 pm on weekdays, and from 9 – 4 on weekends. Afternoon rentals and during school hour rentals may be offered later in the fall.

The Licensee must comply with all applicable health and safety laws, regulations, orders, directives, guidelines and recommendations of the federal, provincial, municipal, regulatory and courts having jurisdiction relating to the global Covid-19 pandemic.

The Licensee will be responsible for providing the contact information of their program participants to the Health Authorities, should it become necessary.

West Vancouver Schools may not be held liable should any participant in a Licensee's program contract Covid-19.

In order to meet the Health & Safety Protocols referenced above, West Vancouver Schools may incur additional custodial costs resulting from the rental of space. Where a rental occurs within regularly scheduled custodial hours, there will be no additional charge.
