

Dear Sir/Madam,

BC Fencing Association is pleased to extend its support to the WVS Fencing High Performance Podium Program (HPPP), recognizing it as an exceptional pathway towards fencing excellence.

The WVS HPPP stands out by offering a rigorous academic curriculum tailored to accommodate extensive training schedules, allowing students to pursue high-level fencing without compromising their education.

Participants of the WVS HPPP enjoy the unique advantage of training alongside a select group of elite student athletes, fostering a competitive and nurturing environment.

We at BC Fencing Association firmly believe that the WVS HPPP offers unparalleled opportunities for secondary school students to chase their aspirations of competing at the international fencing stage.

With appreciation,
