What is Seamless Day?

Seamless Day is a Ministry of Education and Child Care pilot program.

Seamless Day is a unique program that provides licensed before and after school care for students in Kindergarten. Located in the Kindergarten room, students stay with familiar educators in a consistent, caring, play-based environment throughout the school day and for out of school care. Early Childhood Educators run the out of school care program and support in the classroom during the school day.

Price

\$ 365 per month

This price includes both before (7:30 – 8:50 am) and after (2:50 – 6:00 pm) school care. Registered families can use as much 'out of school' care as they need for one flat rate.

This is the official published rate for the 2024-2025 school year. We are grateful to participate in the Province of BC's 'Child Care Fee Reduction Initiative' so the actual monthly fees are much lower and calculated regularly so that families benefit from the reduction (anticipated actual fee to be in the range of \$200-\$250 per month). Families are informed of any changes to rates as needed. Registration is for the full school year (equal monthly payments) and the program follows the school district calendar.
